

AD HOC INFORMATION TECHNOLOGY (IT) TASK FORCE

Mission Statement

To investigate and evaluate the IT environment in Rossmoor and make recommendations to the GRF Board of Directors to improve operational efficiency, cost effectiveness and resident satisfaction.

Objectives and Deliverables

The Task Force will deliver recommendations in the following areas:

1. Infrastructure Lifecycle - including purchasing, reassignment, and disposal of desktop computers, laptop computers, printers, servers, network equipment, and copy machines.
2. Business Applications – including the compatibility, information requirements, integration ability and maintenance cost of the “Master Software Program” and other software programs.
3. Comcast Contract Renegotiation – including suggestions for valley-wide residential options for television, internet and telephone to consider as part of the upcoming negotiations.
4. GRF Internal Network System – including cost, support, and migration issues of the current system, potential providers and new technologies.
5. IT Strategic Plan – a 3-5 year plan that provides an integrated IT solution in support of the overall Rossmoor Long Range Plan.

APPROVED BY THE GOLDEN RAIN FOUNDATION BOARD OF DIRECTORS
