Jo Jones, Chairman, Aquatics Advisory Committee, highlighted items in the report of the Committee’s May meeting.

The Chairman of the Audit Committee, Paul Rosenzweig, asked if there were any questions regarding the report of the Committee’s May meeting. There were none.

Christopher Yahng, Chairman, Finance Committee, reporting on the Committee’s May meeting, noted that the Committee voted to recommend to the Board that, based on additional information available to the Committee, the amount of the Membership Transfer Fee be increased from $7,000 to $9,000. He then noted that the Committee also voted to recommend to the Board that the Trust Estate Fund is capable of funding the proposed Gateway HVAC Phase 2 replacement project estimated to cost $160,000.

A motion was made by Mr. Haley and seconded by Ms. Adams to approve, as recommended by the Finance Committee based on additional information, setting the membership transfer fee at $7,000 and increasing the membership transfer fee amount to $9,000, with the $9,000 amount becoming effective for all escrows closed/transactions requiring payment of a membership transfer fee occurring after August 31, 2015. Geraldine Pyle, Chairman, Policy Committee, reporting on the Committee's special meeting in May, said that the Committee discussed the Finance Committee's recommended revisions to Policy 102.1.4, Membership Transfer Fee, and voted to recommend that the Board approve proposed revised Policy 102.1.4 (agenda attachment 8a1-3 through 8a1-5). She then noted that, in keeping with the Board's practice that policy, procedure, and rule items be on the agenda for two end-of-the-month meetings to allow time for resident input, consideration of approving proposed revised Policy 102.1.4 was deferred to the June 25, 2015, regular meeting of the Board.

Ms. Pyle then reported that the Committee discussed a proposed revision to Policy 104.2, Records Inspection, to recognize a change to a State Statute number due to the recent renumbering of Civil Code sections included in the Davis-Sterling Act and voted to change the reference in Policy 104.2 to reflect the current Code section number. Being the change was not substantive but merely a housekeeping correction, the Committee decided not to forward the change to the full Board for a vote.

Under Unfinished Business, Ms. Pyle explained the reasons for proposed new Rule R115.0, Rossmoor Community Garden, which was deferred at the April 30, 2015, regular meeting of the Board for consideration of approval at this meeting.
