

Board Action Jan. 12, 2016

The following are the actions taken by the GRF Board at its meeting on Jan. 12, 2016:

1. Confirmed that the bar graph on agenda attachment 5a-6 accurately identifies the top priorities that should be included in a Del Valle Fitness Center renovation plan.
2. Designated up to \$10 million for the renovation of the Del Valle Fitness Center.
3. Directed staff to seek a proposal from ELS Architects and the Sports Management Group, the existing design team for the Del Valle renovation project, for consideration at the Jan. 28 regular meeting of the Board.
4. Approved reallocation of up to \$10,000 from previously approved Trust Estate Funds for the completion of a space needs study for the existing Gateway studios.
