AQUATICS ADVISORY COMMITTEE REPORT

3-1

REGULAR MEETING  
THURSDAY, JANUARY 14, 2016, AT 1:30 P.M.

A regular meeting of the Aquatics Advisory Committee (AAC) was called to order by the Chairman, Brian K. Stack, at 1:30 p.m. on Thursday, January 14, 2016, in the Board Room at Gateway Complex.

Present, in addition to the Chairman, were Dale O. Reynolds, Secretary, E.J. Koch, Carol A. Meehan, Judith L. Morton and Barbara S. Jordan, GRF representative and ex-officio member. Norman P. Gorsuch was excused. Also attending were Leslie Birdsall, President, and Mary Lou Delpech, Secretary, GRF; Tim O'Keefe, CEO; and Jeffrey P. Matheson, Director of Resident Services.

Attendance

The report of the Committee's regular meeting of November 12, 2015, was approved as presented.

Report  
Approved

Mr. Reynolds presented the pool numbers for December 2015. He reported that the December numbers were down from 6,209 in December 2014 to 5,400 in December 2015, or a decrease of -13.03%. Mr. Matheson pointed out that a possible reason for the decline in the Del Valle numbers was possibly due to swimmers checking in at the Fitness Center from the front desk instead of recording their visit directly in the pool area.

Pool  
Attendance

It was decided that the AAC Joint Subcommittee will continue to meet with the FCAC Joint Subcommittee to discuss the implementation of a guest fee for Del Valle. Mrs. Morton wanted to move forward on this issue. The majority of the Committee suggested waiting until there was more information regarding the future layout of the front desk before implementing the guest fee.

**SUMMARY REPORT  
GOLDEN RAIN FOUNDATION  
AQUATICS ADVISORY COMMITTEE**

**REPORT PREPARED BY:**

Jeff Matheson, Resident Services Director

**REQUESTED ACTION/RECOMMENDATION:**

Consider possible amendments to the specific rules for Del Valle pools related to use of the exercise pool.

**BACKGROUND:**

All GRF pool facilities in Rossmoor are governed by General Rules that apply to all facilities and specific rules that pertain to each individual facility. Specific rules are approved by the AAC while the General Rules must be approved by the Policy Committee and the GRF Board.

Attached to this report are the specific rules for the Del Valle pools. A guideline that the Lifeguard Staff has implemented is that there is no swimming in the shallow end of the exercise pool when more than one resident is in the pool. Lap swimming must take place in the deep end or in the lap pool. This guideline is for the safety of all users who may be exercising. A recent incident highlighted the importance of formally making this guideline part of the specific rules. Having this be part of the specific rules will assist the guards with enforcement and allows Residents to visually see the document giving the guards authority.

**SUBSEQUENT ACTIONS:**

Should the AAC decide amend the specific rules, staff will make the adjustment and post the revised rules in the facility.

**FINANCIAL IMPACT:**

None
