Mr. Reynolds presented the pool numbers for December 2015. He reported that the December numbers were down from 6,209 in December 2014 to 5,400 in December 2015, or a decrease of -13.03%. Mr. Matheson pointed out that a possible reason for the decline in the Del Valle numbers was possibly due to swimmers checking in at the Fitness Center from the front desk instead of recording their visit directly in the pool area.

It was decided that the AAC Joint Subcommittee will continue to meet with the FCAC Joint Subcommittee to discuss the implementation of a guest fee for Del Valle. Mrs. Morton wanted to move forward on this issue. The majority of the Committee suggested waiting until there was more information regarding the future layout of the front desk before implementing the guest fee.
