Subject: Allocation of Revenue and Expenses

Purpose: To Establish a Policy to Differentiate Trust Revenues and Expenses From

Operating Revenues and Expenses

The categories shown on the following two pages describe the types of revenues and expenses that are classified as trust or operations and list some examples in each category. These lists should not be considered exhaustive but are merely illustrative.

For purposes of this Policy, a capital expenditure is defined as a purchase of tangible property costing over \$5,000 per item wherein the property will not be consumed or converted to cash in one year. Capital assets may be purchased with Trust funds or funds from the operating budget.

### I. Trust Revenues include:

- membership transfer fees;
- earnings on Trust assets held for investment, including interest and Medical Center rent;
- fees for capital equipment purchased for MOD; and
- gifts to the Trust (either for construction of a specific Trust asset or for general Trust activities).

### **II. Trust Expenditures** include:

- construction of new facilities or major renovations to existing facilities;
- fees for work done by non-GRF employees in anticipation of a capital project, including architect fees, engineering studies and consultant fees;
- any cost of temporary facilities required due to construction; and repair of changes that occurred due to construction;
- acquisition or replacement of capital assets, including vehicles, landscape and Golf Course maintenance equipment, large computer systems, major software purchases, and major equipment items such as Fitness Center machines and video projector systems; and
- bank charges, loan fees and debt service (principal and interest) for loans associated with Trust operations.
- Tangible property costing \$5,000 or less per item comprising a set or system, with an aggregate cost of \$80,000 or greater and a useful life in excess of one year, at the discretion of the GRF Board of Directors upon approval of the annual GRF budget.

# **III. Operating Revenues** include:

- monthly fees collected from each manor for the operation of Rossmoor;
- fees collected for normal operation of Trust properties, e.g., all golf course related revenue; room rental charges; sales of advertising; Creekside restaurant, catering and bar rents and revenues; and sales of Vehicle Access Devices.
- charges for programs and activities sponsored by GRF, e.g., Recreation Department concerts or excursions.
- earnings on operating fund assets held for investment, including interest; and
- miscellaneous items such as handyman income, personal training income, RV rental fees and contractual business income from the Waterford and from vehicle maintenance.

## IV. Operating Expenditures include:

- normal costs of operating GRF assets, including utilities, taxes, insurance, as well as labor and materials for functions such as custodial and landscape maintenance of GRF facilities and land, including temporary facilities;
- labor and materials for programs/services such as aquatics, bus transportation, counseling, communications, fitness and public safety;
- labor and materials for administrative services such as human resources, accounting, legal and executive services;
- purchase of tangible property costing \$5,000 or less per item;
- repairs;
- maintenance of Trust assets, in accordance with the terms of the Trust; and
- banking and financial expenses related to the operating budget.
