# FIRE EVACUATION KNOW YOUR ZONE

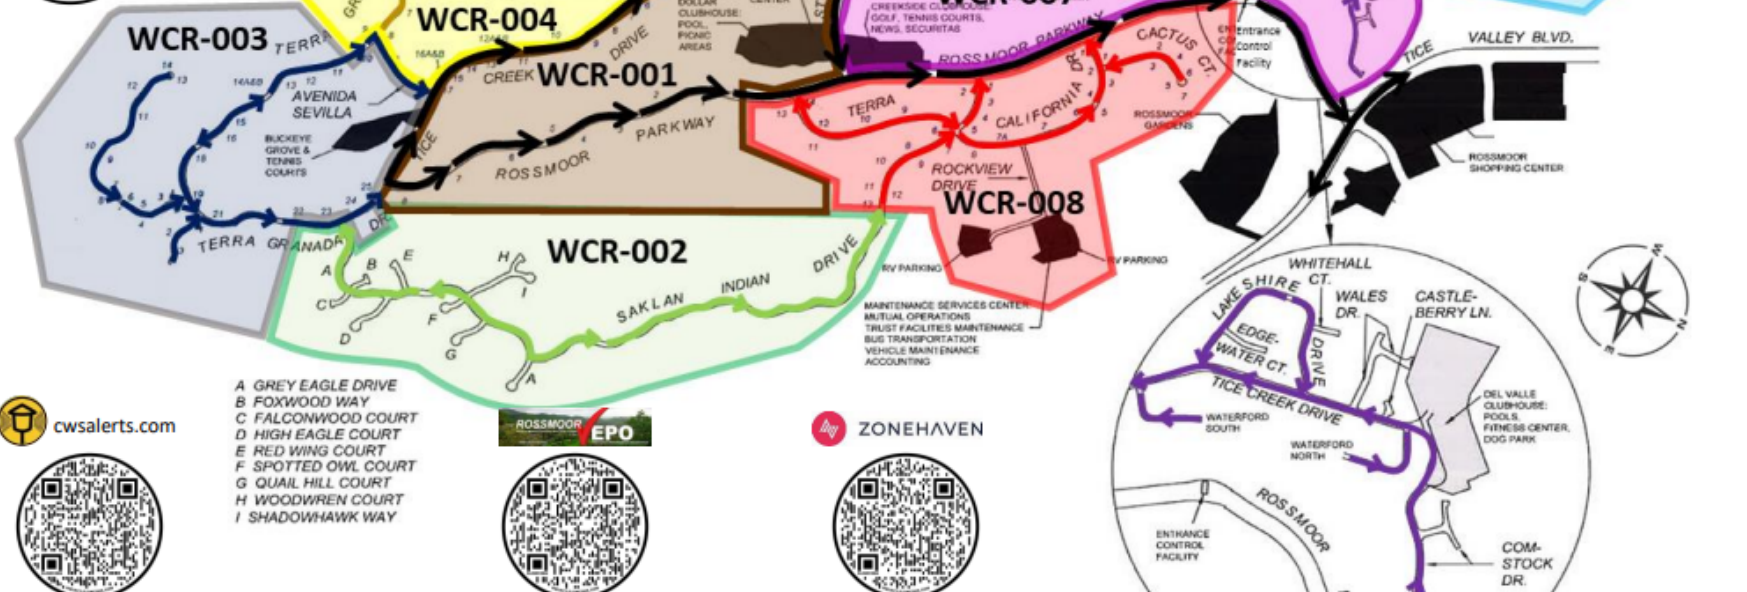

#### When to Evacuate

Leave as soon as evacuation is **recommended** by fire officials or when ever you feel threatened by fire or smoke.

- ✓ Officials will determine the areas to be evacuated and escape routes to use depending upon the fire's location, behavior, winds, terrain, etc.
- ✓ Law enforcement agencies are typically responsible for enforcing an evacuation order. Follow their directions promptly. You will be advised of potential evacuations as early as possible. You must take the initiative to stay informed and aware. Listen to your radio/TV for announcements from law enforcement and emergency personnel.
