and

LOT 3A, AS SHOWN ON THE MAP OF SUBDIVISION 6873, AS PART OF THE CONDOMINIUM PLAN, FILED SEPTEMBER 27, 1988, AS INSTRUMENT NO. 88-176174, CONTRA COSTA COUNTY RECORDS.

It was the intention of the original declarant to sell and convey residential condominiums to the Owners, subject to protective covenants, conditions, restrictions, limitations, reservations, grants of easements, rights, rights-of-way, liens, charges and equitable servitudes between the original declarant and such Owners. This Declaration is intended to be in furtherance of this intention particularly for the use of the property as a "condominium project" as that term is defined in Section 4125 of the California Civil Code. The above-described property is and shall remain as a "Senior Citizen Housing

Development” as defined in California Civil Code Section 51.3(b)(3) and it is Housing for Older Persons under the United States Fair Housing Amendments Act of 1988, 42 USCS Section 3607(b)(2). Finally, it remains the intention of the Mutual that the “Common Areas” and common facilities be owned and maintained by the Mutual but reserved exclusively for the use and enjoyment of the Members of the Mutual, their tenants, lessees, guests and invitees, all subject to the terms and conditions of the Governing Documents, including this Declaration.

On May 27, 2021, at least fifty percent plus one (1) of the Owners of condominium units voted by written ballot to restate the original Declaration of Covenants, Conditions, and Restrictions and all subsequent amendments and attachments thereto in accordance with the procedures for amendment. The Owners’ action to restate by the required percentage of affirmative votes is attested by the execution of this Declaration by duly authorized officers of the Mutual, as required by California Civil Code Section 4270(a)). As so restated, the easements, covenants, restrictions and conditions set forth herein shall run with the property and shall be binding upon all parties having or acquiring any right, title or interest in the property or any portion thereof and shall inure to the benefit of each Owner thereof.

It is further declared that all of the covenants, conditions and restrictions herein set forth shall constitute enforceable equitable servitudes as provided in Civil Code section 5975, shall constitute covenants that shall run with the said real property, and shall be binding upon and inure to the benefit of each Owner of any portion of the said real property or of any interest therein and their heirs, successors and assigns.

2.2 Membership. Membership in the Mutual shall include, and shall be limited to, all Owners of any Condominium located within the Development. Membership shall be appurtenant to and may not be separated from ownership of a Condominium, and shall not be transferred, encumbered, pledged, alienated, or hypothecated in any way, except upon the transfer or encumbrance of the Condominium to which it is appurtenant. Any attempt to make a prohibited transfer is void. Upon any transfer of title to a Condominium, including a transfer upon the death of an Owner, membership in the Mutual shall pass automatically to the transferee.

2.3 Voting. Only Members in Good Standing shall be entitled to vote, and only one vote shall be cast for each Condominium, as more particularly set forth in the Bylaws.

2.5 Mutual Policies. Subject to Civil Code sections 4340 et seq., the Board of Directors shall have the power and the authority to establish, promulgate, amend, repeal, and enforce such Policies as the Board deems necessary for the management and operation of the Development and the conduct of business and affairs of the Mutual.

2.6 Relationship to Foundation. The Mutual is one of several common interest developments located within the senior housing community known as Rossmoor (the "Rossmoor developments"). The Rossmoor developments are managed and operated by various associations known within Rossmoor as "mutuals." The mutuals (including the Mutual) are the beneficiaries under a certain trust agreement. The Foundation is the trustee under the trust agreement. By the terms of the Foundation's articles of incorporation and the trust agreement, the primary purpose of the Foundation is to act as trustee with respect to all land and improvements owned by the Foundation and to

provide services and furnish community facilities to the mutuals and for the benefit of the residents of the Rossmoor developments. Among other things, the Foundation is required by the trust agreement to collect for the costs of such services and facilities, such costs to be allocated pro rata among the mutuals that are beneficiaries under the trust based on the number of the members of the respective mutual. The portion of these costs of the Foundation allocable to the Mutual are included in the component of the Annual Assessment imposed by the Mutual, as provided in Section 8.7.1 ("Calculation of Estimated Requirement").

2.7 Membership in the Foundation. Membership in the Foundation is distinct from membership in the Mutual and shall be as determined by the Foundation pursuant to its duly adopted articles of incorporation, bylaws, trust agreement, and/or other applicable instruments.

2.8 Assessments. The Mutual shall have the power and duty to levy and collect Assessments, as more particularly set forth in Article 8 of this Declaration.

2.9 Acquisition of Property. The Board, acting on behalf of the Mutual, shall have the power to acquire (by gift, purchase, or otherwise), own, hold, improve, build upon, operate, and maintain real or personal property in connection with the affairs of the Mutual; provided, however, that in any fiscal year acquisitions by purchase of items not included in the reserve budget shall not exceed five percent (5%) of the budgeted gross expenses of the Mutual for that fiscal year, except upon the approval of at least a majority of the Total Voting Power of the Mutual. The foregoing Member approval requirement shall not apply to the acquisition of a Condominium by the Mutual via foreclosure.

2.10 Capital Improvements. The Board of Directors shall have the power and authority to provide for the construction, installation or acquisition of Capital Improvements upon the Common Area, provided that in any fiscal year expenditures for Capital Improvements shall not exceed five percent (5%) of the budgeted gross expenses in which the Capital Improvements are located for that fiscal year, except upon the approval of at least a majority of the Total Voting Power.

2.11 Sale or Transfer of Mutual Property. Except as otherwise provided herein or by law, the Board of Directors shall not in any fiscal year sell, lease, or otherwise transfer property owned by the Mutual having a value in excess of five percent (5%) of the budgeted gross expenses of the Mutual for that fiscal year without the approval of at least a majority of the Total Voting Power of the Mutual; provided, however, that the foregoing Member approval requirement shall not apply to the sale or transfer of any Condominium which is owned by the Mutual as a result of the Mutual having acquired such Condominium via foreclosure.

2.12 Sale or Transfer of Common Area. Except as otherwise provided herein or by law, the Board of Directors shall not sell, lease, or otherwise transfer Common Area property without the approval of at least sixty-seven percent (67%) of the Total Voting

Power.

2.13 Safety and Security. Neither the Mutual nor the Board is responsible for ensuring the safety and security of the Mutual's Residents, guests, or invitees. Neither the Mutual nor the Board has police powers.

ARTICLE 3 OWNERSHIP RIGHTS AND EASEMENTS

Ownership of each Condominium within the Development shall include: (i) a designated Unit; (ii) an undivided interest as tenant in common in the Common Area as set forth in the Condominium Plan and/or grant deed; (iii) a membership in the Mutual; (iv) to the extent provided in the Foundation's Governing Documents, a membership in the Foundation; (v) any exclusive easements or easements appurtenant to such Unit; and (vi) such other easements as are applicable, all as described in this Declaration or in the deed to the Condominium. The undivided interests in the Common Area established in this Declaration cannot be changed. The undivided interests in the Common Area shall not be severed or conveyed separately from the respective Units to which they are appurtenant, and each such undivided interest shall in all cases be deemed to be conveyed or encumbered along with the respective Unit even though the description in the instrument of conveyance or encumbrance may refer only to the Unit. Any purported severance or separate conveyance of an undivided interest in the Common Area apart from a conveyance of the respective Unit shall, for all purposes, be null, void, and unenforceable. In interpreting deeds, it shall be conclusively presumed that the then-existing physical boundaries of a Unit are its boundaries, rather than the metes and bounds or other description expressed in the deed, and regardless of any settling or lateral movement of buildings or minor variance between the boundaries shown on the deed, this Declaration, and the actual existing physical boundaries.

3.2 Owners' Non-Exclusive Easements of Enjoyment. Every Owner of a Condominium shall have a non-exclusive easement of use of and enjoyment in, to, and throughout the Common Area in which the Unit is located for ingress, egress, and support over and through the Common Area; provided, however, such non-exclusive easements shall be subordinate to, and shall not interfere in any way with the exclusive easements, if any, appurtenant to Units over Exclusive Use Common Area. Each such non-exclusive easement shall be appurtenant to and pass with the title to every Condominium, subject to the following rights and restrictions:

3.2.1 The right of the Board of Directors to establish and enforce reasonable Rules governing the use of the Common Area and facilities thereon,

3.2.2 The right of the Board to charge reasonable admission and other fees for the use of any facilities situated upon the Common Area,

3.2.3 The right of the Board to suspend an Owner's rights and privileges as a Member, including voting rights and the right to use the recreational facilities, for any period during which any Assessment against such Owner's Condominium remains unpaid and/or for infraction of the Governing Documents of the Mutual,

3.2.4 The right of the Board to grant easements and rights of way in, on, over, or under the Common Area subject to the limitations set forth in Section 3.11 and Civil Code section 4600,

3.2.5 The right of the Board to mortgage, pledge, encumber, or otherwise hypothecate the Common Area and facilities thereon as security for money borrowed by the Mutual, subject to any Member approval requirements set forth in this Declaration or the Bylaws, and

3.2.6 The right of the Mutual or its authorized agents, as provided in this Declaration, to perform its obligations under this Declaration, including obligations with respect to construction, maintenance, repair, or replacement for the benefit of the Common Area or the Owners in common.

3.3 Acquisition of Ownership Interest. Any person who acquires title to a Condominium or any ownership interest within the Development must notify the Mutual of his or her acquisition of an ownership interest. Notice must be provided in writing, to the Mutual's managing agent, within thirty (30) days of the person's acquisition of an ownership interest.

3.4 Emergency Contact Information. Any person who acquires title to a Condominium or any ownership interest within the Development must provide the Mutual with a point of contact for the Residents within the Unit for use by the Mutual in the event of an emergency.

3.5 Delegation of Rights of Use and Enjoyment. Any Owner may delegate his or her rights of use and enjoyment, including easements, in the Development to the members of his household, tenants, guests and invitees, subject to the terms of the Governing Documents. Each Owner shall notify the Mutual's managing agent of the names of any tenants of such Owner's Unit. Each Owner or tenant shall also notify the Mutual's managing agent of the names of all members of his or her household to whom such Owner or tenant has delegated any rights of enjoyment in the Development as provided herein and the relationship which each such person bears to such Owner or tenant. Any rights of enjoyment delegated pursuant to this Section are subject to suspension to the same extent that rights of Owners are subject to suspension as provided in the Governing Documents. Notwithstanding the above, a leasing or renting Owner shall be deemed to have delegated to tenants all rights of use and enjoyment of Common Area facilities. The renting and leasing of Units shall be subject to the provisions of Article 5 of this Declaration.

3.6 Common Area Construction. Except as may be authorized by the Board, no person or entity, other than the Mutual or its duly authorized agents, shall construct, reconstruct, refinish, alter, or maintain any improvement upon any Common Area, or shall make or create any excavation or fill upon any Common Area, or shall change the natural or existing drainage of any Common Area, or shall plant, remove, or destroy any seed, plant material, tree, shrub, or other vegetation upon any Common Area.

3.7 Mechanic's Liens. In the event there shall be recorded against any Common Area a Notice of Mechanic's Lien for, or purporting to be for, labor or materials alleged to have been furnished or delivered for any Owner within the Development or his or her Condominium, such Owner shall forthwith cause such lien to be discharged by payment, bond, or otherwise. If the Owner fails to cause the lien to be discharged, the Board may send written notice to the Owner specifying that unless the Owner causes the lien to be discharged within five (5) days from the date of such notice, the Board may cause the lien to be discharged. Within such five (5) day period, the Owner shall be permitted a hearing before the Board regarding the validity of such lien and any offsets or defenses thereto. At that time, the Board shall determine whether the lien adversely and improperly affects and encumbers the rights and interests of the Mutual or the other Owners. If the Board of Directors determines that the lien does adversely and improperly affect and encumber such rights and interests and that adequate protection of such rights and interests has not been provided, the Board may cause the lien to be discharged by payment, bond, or otherwise. The Board shall have the right to levy a Reimbursement Assessment against the subject Owner for all amounts paid by the Mutual together with interest thereon at the legal rate and all costs and expenses incurred in connection with discharging a lien, including reasonable attorneys' fees.

3.8 Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment as between each Unit and such portion or portions of the Common Area adjacent thereto and/or as between adjacent Units due to the unwillful placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon in accordance with the terms of this Declaration; provided, however, that in no event shall an easement for encroachment exist if such encroachment occurred due to willful conduct on the part of an Owner, a tenant, or the Mutual. In the event that a structure or any Unit is partially or totally destroyed and then repaired or rebuilt in accordance with the provisions of this Declaration, the Owners of each Unit agree that minor encroachments over adjoining Units shall be permitted and there shall be easements for the maintenance of said encroachments so long as they shall exist.

3.9 Utility Easements. Easements over and under the Development or any portion thereof for the installation, repair, maintenance, and replacement of electric, telephone, water, gas, and sanitary sewer lines and facilities; heating and air-conditioning facilities; cable, satellite, or master television antenna lines; drainage facilities; walkways; and landscaping as may be hereafter required or needed to service the Development, are reserved by and shall exist in favor of the Mutual, together with the right to grant and transfer the same. The Mutual shall maintain all utility installations located in its

Common Area except for: (i) those installations maintained by utility companies, public, private, or municipal; and (ii) utility installations for which Condominium Owners are responsible. The Mutual shall pay all charges for utilities supplied to its Common Area except those metered or charged separately to the Units.

3.10 Easements Granted by the Board. The Board shall have the power to grant and convey to any person or entity easements and rights of way, in, on, over, or under the Common Area for the purpose of constructing, erecting, operating, or maintaining thereon, therein, or thereunder overhead or underground lines, cables, wires, conduits, or other devices for electricity, cable television, power, telephone, and other purposes; public sewers; storm water drains and pipes; water systems; sprinkler and/or irrigation systems; water, heating, and gas lines or pipes; and any similar public or quasi-public improvements or facilities; and for any other purposes deemed by the Board to be appropriate and not inconsistent with the purposes and interests of the Mutual; provided, however, that no such easements may be granted if such easement would interfere with the use, occupancy, or enjoyment by an Owner or Resident of any Unit and any existing exclusive easements over Common Area appurtenant thereto, if any, without the consent of the Owner(s) affected.

3.11 Easements to Owners. The Board shall have the power to grant and convey easements, licenses for use and rights of way in, over, or under the Common Area or any portion thereof to Condominium Owners, for such purposes as the Board deems to be appropriate and not inconsistent with the purposes and interests of the Mutual, subject to the limitations set forth in the Governing Documents. The approval of at least a Majority of Total Voting Power of the Members shall be required before the Board may grant exclusive use of any portion of the Common Area to a particular Owner. Notwithstanding the foregoing and any other provisions of the Governing Documents, the Board shall have the power in its sole discretion and without approval vote of the Members (i.e., approval of zero percent (0%) of the Members without the need to send out ballots) to grant and convey licenses for use, rights-of-way, and easements in, over, or under the Common Area as follows: (i) those exceptions set forth in Civil Code section 4600(b)(3); (ii) transfer or conveyance of Carports and Deeded Garages pursuant to Sections 3.14 and 3.15, below; (iii) rooftop solar tubes and skylights; and, (iv) grant of revocable licenses for exclusive use owner-maintained landscaping areas (commonly known as "private gardens").

3.12 No Right to a View. Owners do not have the right to an unobstructed or any other type of view from their Unit and/or Exclusive Use Common Area appurtenant to their Unit. This Declaration shall not be construed as granting any Owner a right to a view and neither the Mutual nor any Member shall have an obligation to take any action regarding or to preserve or provide for a view from any Unit or Exclusive Use Common Area. This shall be the case even if an Owner purchased a "view Unit" from the Original Declarants. Owners should anticipate that the view, if any, which may exist at the time of their Condominium purchase will change during the period of their ownership.

3.13 Partition Prohibited. There shall be no judicial partition of the Development, or any part thereof, nor shall any Owner or any person acquiring any interest in the Development or any part thereof seek any judicial partition thereof; provided, however, that if any Condominium is owned by two or more co-tenants as tenants in common or as joint tenants, nothing herein contained shall be deemed to prevent a judicial partition by sale as between such co-tenants.

3.14 Carports. Mutual 50 includes sixteen (16) secondary Carports which are identified on the Condominium Plan (Map of Mutual 50, Subdivision 6873) by the letter "C" followed by a number (i.e., C1, C2, etc., through C16) ("Carports"). The original Declarant reserved the right to sell and/or assign the exclusive use of the Carports. These Carports are Exclusive Use Common Area and are appurtenant to a Unit. However, Owners may transfer the exclusive right to use the Carports (but not the primary assigned garages or carports) to any other Owner independent of the transfer or conveyance of the Unit. Such transfers or conveyances shall be in writing and must be recorded to be effective. If an Owner ceases to be an Owner, said Owner must immediately transfer or convey the right to use the Carport to another Owner or to the Mutual for the benefit of the Mutual. Maintenance, repair, and replacement responsibilities for the Carports shall be as stated in Section 6.6, below.

3.15 Deeded Garages. Mutual 50 includes twelve (12) secondary Garages which are identified by Assessor's Parcel Number as set forth in Exhibit A ("Deeded Garages"). These Deeded Garages are Exclusive Use Common Area, but they are not appurtenant to a particular Unit. Owners may transfer the exclusive right to use the Deeded Garages to any other Owner of Mutual 50 independent of the transfer or conveyance of the Unit. Such conveyances shall be in writing and must be recorded to be effective. If an Owner of a Deeded Garage ceases to be an Owner, said Owner must immediately transfer or convey the right to use the Deeded Garage to another Owner or to the Mutual for the benefit of the Mutual. Maintenance, repair, and replacement responsibilities for the Deeded Garages shall be as stated in Section 6.14, below. Owners of Deeded Garages are solely responsible for payment of taxes assessed on their parcels.

ARTICLE 4 USE RESTRICTIONS

4.1 Senior Citizen Residential Use. Except to the extent permitted by Section 4.5, below, Units shall be occupied and used for residential purposes only. Occupants, including Guests, of each Unit shall be subject to age and other restrictions set forth in a written policy (i.e., the Senior Housing Rules) adopted by the Board in compliance with applicable federal and California law as those laws may be amended from time to time. It is the intention of this provision to restrict occupancy to older persons or senior citizens to the fullest extent permitted by applicable law.

4.2 Number of Occupants. The number of Residents per Unit shall not exceed two (2) individuals per bedroom plus one (1), so long as said limitation is not in conflict with any governmental regulation or ordinance. All occupants must be registered with Member Records, except for those Guests who are not required to register with the Mutual pursuant to Section 4.3, below.

4.3 Guests. No Guest may stay in a Unit for more than seventy-five (75) days in any consecutive twelve (12) month period. Guests who stay for more than twenty-one (21) consecutive days must register with Member Records at the Administration Office at 1001 Golden Rain Road. Both the Mutual and the Golden Rain Foundation must acknowledge and approve each Guest registration. Owners are responsible for their Guests' conduct. Owners are responsible for making sure their Guests are aware of and follow all rules contained in the Governing Documents, including the Mutual Policies.

4.4 Rental of Units. The rental or lease of any Unit within the Development shall be subject to the provisions of the Governing Documents and Article 5 of this Declaration.

4.5 Restriction on Businesses. Units shall be used for residential purposes only, and no part of the Development shall be used or caused, allowed or authorized to be used in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storing, vending, or other nonresidential purpose. Notwithstanding the foregoing, Owners or Residents of the Unit may use any portion of a Unit as an office, provided that: the primary use of the Unit is as a residence; no advertising or signage is used in any manner in connection with the office use; no customers, clients, or patients enter the Unit on any regular basis; no increase in the number of cars parked in any entry parking area results from the business use of the Unit; and the use is in compliance with all local ordinances. The Board shall have the authority to adopt Rules regarding home offices within the Development in order to maintain the residential characteristics of the Development.

4.6 Offensive Conduct, Nuisances, Noise. No harmful or offensive activities shall be conducted upon or within any part of the Development, nor shall anything be done thereon which may be or become a nuisance, or cause unreasonable disturbance or annoyance to any Residents, or which shall in any way interfere with their use of the Common Area or the use and enjoyment of their Units. Without limiting any of the foregoing, no Resident shall permit noise, including but not limited to the barking of dogs, to emanate from the Resident's Unit, which would unreasonably disturb another Resident's enjoyment of his or her Unit or of the Common Area.

4.7 Use of the Common Area. All use of Common Area is subject to the Governing Documents and no modifications of any type shall be made to any Common Area without the express written permission of the Board. Common Area shall be kept free of rubbish, debris, personal items such as chairs and statues, and other unsightly or unsanitary materials. Nothing shall be kept or stored on the Common Area which attracts vermin. Each Owner shall avoid causing any damage to the Common Area. No

portion of the Common Area, other than Exclusive Use Common Area, shall be monopolized by any Owner, group of Owners, Residents, or tenants without the prior written approval of the Board of Directors.

4.8 Hazards. There shall be no obstruction of any part of any Common Area. Nothing shall be done, placed, or kept within the Development that will increase the rate of insurance or result in the cancellation of insurance under any insurance policy obtained by the Mutual, or which will be in violation of any governmental statute, ordinance, rule, or regulation. Nothing shall be stored in any Common Area without the prior consent of the Board. Each Owner and Resident shall comply with all requirements of all federal, state, and local governmental authorities and all laws, ordinances, rules, and regulations applicable to his or her Unit.

4.9 Requirement of Architectural Approval. As addressed in greater detail in Article 7, construction, installation, modification, or alteration of buildings, common systems (including plumbing and electrical systems), outdoor structures (including outbuildings, tents, shacks, trailers, sheds or temporary buildings of any kind), landscaping, and outdoor lighting are subject to approval of the Buildings and Facilities Committee and/or Board.

4.10 Smoking Prohibited. Smoking is prohibited to the extent set forth in Walnut Creek Ordinance No. 2118, pertaining to secondhand smoking, and any successor ordinance thereto.

4.11 Floor Coverings. No change in the floor covering materials originally installed in the Units shall be permitted except with the prior written consent of the Board. To reduce sound transmission, all Units that are above other Units shall have all floor areas except kitchens, bathrooms, lavatories, entry areas, utility or laundry rooms, and the area above the attached garage, if any, covered with carpet and padding or other material that provides equivalent insulation against sound transmission to the Unit below. The Board may adopt further Rules concerning floor coverings that are consistent with the provisions of this Declaration.

4.12 Sports Apparatus. No basketball standards (including portable basketball standards) or other sports apparatus (fixed or portable), shall be placed upon or attached to any portion of the Common Area without the written permission of the Board.

4.13 Mailboxes. Mailboxes shall be subject to Rules adopted by the Board.

4.14 Outside Drying and Laundering. Outside clothes washing, drying, or airing facilities shall be subject to Rules adopted by the Board. No outside mast, tower, pole, radio or television aerial, antenna (including so-called "CB" or "ham" radio antennas), satellite dish, wire, or other receiving or transmitting device shall be erected, constructed, or maintained in the Development (including the Common Area, or the outside of any building) except (i) those erected, constructed, or maintained by the Mutual, (ii) those expressly approved by the Board or the Buildings and Facilities Committee, (iii) those (if any) initially installed during the original construction of the Development by the Original Declarants, (iv) a free standing antenna located within a Balcony, Deck, or Patio, which does not extend outside the airspace encompassed within the Balcony, Deck, or Patio, or (v) those devices which, by law, cannot be prohibited by the Mutual. The Board may adopt Rules regarding the installation and maintenance of antennas, satellite dishes, telecommunications devices, and related wiring for such devices.

4.17 Animals and Pets.

4.17.1 Board Authority. The Board shall have the right to prohibit the keeping of any animal which constitutes, in the sole and exclusive opinion of the Board, a nuisance or threat to persons, other animals, or property. Board action pursuant to this Section shall be effective only after a duly noticed hearing before the Board. After notice and hearing, the Board may order the removal of any animal or pet which, in the Board's sole discretion, causes excessive noise or otherwise creates a nuisance. Any animal that displays threatening behavior or attacks a person or animal may be immediately barred from the Common Area until a hearing can be conducted.

4.17.2 Limitations on Animals and Pets. No reptiles, rodents, insects, poultry, or livestock may be kept, bred, or maintained within the Development. Additionally, no animals or pets shall be kept, bred, or maintained within the Development for commercial purposes. A reasonable number of common domestic household pets (i.e., dogs and cats) may be kept in each Unit, subject to any Rules adopted by the Board. "Reasonable number" shall be deemed to limit the total number of all dogs and cats kept in a Unit to two (2). In addition, birds and aquatic animals kept in an aquarium are permitted, provided they are not kept, bred, or raised for commercial purposes or in unreasonable quantities. The limitations on the number of pets within the Development shall not apply to any pet living in the Development on the date this Declaration is recorded but shall apply to any pet acquired after the date this Declaration is recorded.

4.17.3 Service Animals and Assistance Animals. Service animals and assistance animals are not deemed to be pets for purposes of Section 4.17; however, Owners shall be responsible for their service animals and assistance animals in accordance with the provisions of Section 4.17 and the Rules. Service animals and assistance animals are permitted on the Development in accordance with Civil Code section 54.2 and any other applicable law.

4.17.4 Owner's Responsibility for Animals and Pets. While in Common Area, each dog must be restrained on a leash held by a responsible person capable of controlling it. The owner of each animal or pet shall be responsible for immediately removing and disposing of any waste introduced to any portion of the Development by such animal or pet. Each Owner, Resident, and any person bringing or keeping an animal within the Development shall be strictly liable to the Mutual and all other persons for any injury or damage to persons, animals, or property caused by the animal. The Owner shall indemnify the Mutual and its officers, Directors, and agents against any and all claims, damages, losses, demands, liabilities, and expenses, including but not limited to attorneys' fees, arising out of or resulting from the presence or conduct of any animal brought upon or kept within the Development by the Owner, members of his or her household, guests, tenants, or invitees. No animal may be left, chained, or otherwise tethered in Common Area, including Exclusive Use Common Area. No animal shall be left unattended on Balconies, Decks, Patios, or Garages of the Units at any time.

4.18 Trash Disposal. Trash, garbage, accumulated waste plant material, or other waste and refuse shall be deposited only in dumpsters in a number, location, and size as determined by the Board of Directors. No Owner or Resident shall permit or cause any garbage, trash, or other waste or refuse to be kept or accumulate upon any portion of the Common Area, except in such containers. Owners shall be responsible for any violations of this Section 4.18 and any applicable Rules adopted by the Board committed by their tenants, guests, and invitees. The Mutual shall have the right to remove any extraordinary accumulation of rubbish, trash, garbage, or debris to an offsite trash collection facility at the offending Owner's or Resident's expense.

4.19 Construction Materials, Construction Debris. No portion of the Development shall be used for the storage of building materials unless approved by the Board or specifically authorized by the Rules. All construction debris shall be picked up and removed daily. Owners and contractors may not use trash receptacles for their construction debris.

4.20 Machinery and Equipment, Vehicle Maintenance. Unless approved by the Board, no power machinery or equipment shall be permitted within the Development except as is customary and necessary in connection with approved construction and/or Residents' non-commercial use. In deciding whether to grant approval, the Board shall consider the effects of noise, air pollution, dirt or grease, fire hazard, interference with radio or television reception, and any other relevant factors. No vehicle maintenance is permitted in the Development, with the exception of emergency work.

4.21 Signs, Banners, Flags. No sign of any kind shall be displayed to the public view from any portion of the Development except:

4.21.1 Signs required by legal proceedings,

4.21.1.1 Noncommercial signs or posters no larger than nine (9) square feet in size and noncommercial flags or banners no larger than fifteen (15) square feet in size, displayed on or in an Owner's Unit, and limited to the fullest extent permitted by Civil Code section 4710,

4.22 Vehicles and Parking.

4.22.1 Parking Rules. The parking, storage, and use of vehicles within the Development shall be subject to Rules adopted by the Board.

4.22.2 Oversized Vehicles. No vehicle that is too large to be parked entirely within a garage or entirely within a designated parking space (including but not limited to trailers, campers, motor homes, mobile homes, and commercial vehicles and trucks) shall be permitted to remain anywhere within an Entry,

except that (i) such vehicle may be parked temporarily (not to exceed eight (8) hours) for purposes of loading or unloading, provided such vehicle does not interfere with the safe ingress and egress of pedestrians and vehicular traffic within an Entry, and (ii) oversized vehicles may be parked in designated areas of the Development in accordance with prior Board approval.

4.22.3 Commercial Vehicles. Commercial vehicles of vendors, utilities, contractors, delivery persons, movers, and others providing services shall be permitted within the Development while services are actually being performed as long as they are parked in authorized parking spaces. Commercial vehicles, except those driven by Residents, shall not be parked within the Development overnight. Commercial vehicles driven by Residents must be parked entirely within the Garage or Assigned Parking Space assigned to the Resident's Unit. Oversized commercial vehicles are subject to the provisions of Section 4.22.2.

4.22.4 Parking Assignments from Original Project CC&Rs. Some of the original CC&Rs included carport and/or garage parking assignments. These assignments shall be maintained as set forth in Exhibit B.

4.23 Parking Enforcement; Parking Rules. In addition to the Board's ability to regulate vehicles and parking by Rules as provided in Section 4.22.1, above, the Board shall have the power and authority to impose fines and other sanctions for violations of provisions of the Governing Documents relating to vehicles and parking. Such power shall include the power and authority to cause the towing, at the vehicle owner's expense, of vehicles which are parked within the Development in violation of any of the provisions of the Governing Documents. Costs incurred by the Mutual relating to the towing and/or storage of any vehicle parked in violation of any provision of the Governing Documents shall be assessed as a Reimbursement Assessment against the Owner responsible or whose household members, tenants, or guests are responsible for the presence of such vehicle. Parking Rules adopted by the Board may include, but are not limited to, restrictions on the length of time that vehicles may be parked in the Common Area, procedures regarding the registration of vehicles, and the issuance of parking permits or tags.

4.24 Garages/Carports/Assigned Parking Spaces. Each Owner and Resident shall keep his or her Garage, Carport, and/or Assigned Parking Space in a sanitary and safe condition as is required by Rules adopted by the Board.

4.25 Window Coverings. Drapes, window shades, and other window coverings installed in the windows of any Unit shall comply with any Rules adopted by the Board. In no event shall aluminum foil, newspaper, cardboard, blankets, or similar materials be placed in windows.

4.26 Roof Access. Owners, Residents, guests, invitees, vendors, and agents are prohibited from accessing the roofs of the buildings housing the Units and the roofs of Common Area components without the prior written consent of the Mutual's managing agent.

4.27 Outbuildings. No outbuilding, tent, shack, trailer, shed, or temporary building of any kind shall be located within the Development except when specifically authorized by the Board.

4.28 Combining Units. An Owner who owns two (2) Units that adjoin each other either vertically or horizontally may connect the Units under all the following conditions.

4.28.1 Prior Approval. Prior to the commencement of any work, the Owner shall obtain the appropriate approval from the Board in accordance with the procedures described in Article 7. The Board may require the Owner to pay in advance any costs the Board may expect to incur in reviewing any plans, specifications and reports required to be submitted to the Board in connection with the proposed work, including but not limited to any costs for outside consultants to review the proposed work. The Board shall deny approval if it determines in its absolute discretion that the work would: (i) adversely affect the structural integrity of the building; (ii) materially alter the appearance of any Common Area as viewed from any location outside the building; or (iii) unreasonably increase any sound transmissions, resonances, or reverberations to any other Unit or Exclusive Use Common Area appurtenant to any Unit.

4.28.2 Proof of Common Ownership. The Owner must provide the Board with appropriate evidence that the Units to be joined are under common ownership.

4.28.3 Collateral Insurance and Indemnities. The Owner shall provide such collateral insurance and indemnities as the Board considers necessary to ensure that the work will be completed in a timely and proper manner, that payment for all labor and materials will be properly made, and that the Mutual and Members are adequately protected against mechanics or other liens, any damage that may occur to the Common Area or any Unit, or any liability that may arise from the work.

4.28.4 Separate Condominiums. For all purposes in this Declaration, the joined Units and Exclusive Use Common Area appurtenant thereto shall remain as separate and distinct Condominiums and shall remain subject to separate Assessments and entitled to separate votes for each Condominium.

4.28.5 Restoration. Unless the Board approves otherwise in writing, if the joined Condominiums at any time cease to be under common ownership, the Owner(s) not later than ninety (90) days after the effective date of the termination of the common ownership shall take all necessary steps to close the opening connecting the Units and restore the Common Area to the condition it was in prior to the work connecting the Units. Prior to the commencement of the restoration work, the Owner(s) shall obtain the approval of the Board for the necessary work in accordance with the procedures of Article 7.

4.28.6 Recordation. If an Owner is granted permission to join Units as described herein, the Owner and the Mutual shall execute and record a document in the records of the County of Contra Costa, California, describing the rights and duties of the Owner as provided in this Section 4.28. The rights and duties shall constitute covenants running with the land and equitable servitudes that bind the Units that are joined and benefit the other Condominiums and all Owners and successive owners thereto. If the Units are subsequently separated and the Common Area restored, the then Owner(s) and the Mutual may record a document confirming the restoration and terminating the prior record document.

4.29 Drainage. No Resident shall do any act or construct any improvement which would interfere with the natural or established drainage systems or patterns within the Development without the prior written approval of the Board.

4.30 Irrigation and Water Use. No Resident shall irrigate or water any portion of the Common Area, except Exclusive Use Common Area, without prior Board approval. This provision shall be strictly enforced due to required water conservation policies and practices of the Mutual.

4.31 Vermin, Insects, Rodents. Residents have an obligation to notify the Mutual's managing agent of the presence of vermin, insects, and rodents. Residents are prohibited from feeding wildlife, in accordance with California law. Bird feeders containing birdseed are prohibited. No pet food or other food may be thrown or left outside of a Unit. Storage of food and other products outside a Unit in a manner which will attract pests, vermin, and insects is prohibited.

4.32 Mineral Exploration. No Unit or any portion of the Common Area shall be used to explore or remove any water, oil, hydrocarbons, or minerals of any kind without the approval of the Board, and only if permitted by local ordinance.

ARTICLE 5 RENTING OR LEASING

5.1 Requirements for Renting. The term "Unit," as used in this Article, shall be deemed to include the Exclusive Use Common Area appurtenant to the Unit unless specifically noted. An Owner who wishes to rent his or her Unit shall:

5.1.1 Complete an application for permission to rent,

5.1.2 Do so pursuant to a written lease or rental agreement. The lease or rental agreement shall be for an initial term of at least one (1) month and shall expressly provide that its terms are subject to all the provisions of the Governing Documents and that failure of the tenant, members of the tenant's household, invitees, or guests to comply with applicable provisions of the Governing Documents shall constitute a breach of the terms of such lease or rental agreement,

5.1.3 Be eligible to rent his or her Unit for no more than one (1) year total during the time the Owner owns his or her Unit,

5.1.4 File a copy of the signed lease or rental agreement with the Board within five (5) days after the lease becomes effective. The Owner may redact or blackout the financial terms (i.e., the amount of rent and security deposit) from the copy of the lease or agreement provided to the Board,

5.1.5 Comply with the requirements set forth in Section 10.7, below, namely, require the tenant to obtain and maintain a "renter's policy" (also known as an "HO-4" policy) and provide to the Board a certificate from the tenant's insurer certifying that the required insurance under Section 10.7 has been procured and is in full force and effect,

5.1.6 Provide the tenant(s) with a copy of the Governing Documents and any subsequent changes thereto,

5.1.7 Notify the Board of the name of each tenant and of the members of the tenant's household, and

5.1.8 Have the duty and responsibility to keep the Board apprised of his or her current address and telephone number.

5.2 Rental of Entire Unit. No Owner shall rent or lease less than the entire Unit and the Exclusive Use Common Area appurtenant to the Unit except as permitted by Section 5.3, below. The preceding sentence is intended to prohibit the operation of a rooming house or similar operation within the Development. No Assigned Parking Space, Carport, Garage, Storage Space, accessory building, or other facility shall be rented, leased or hired to anyone who does not have the right of possession of the entire Unit, except as specifically provided in Section 5.12, below. This Section is not intended to prohibit a resident Owner from sharing his or her Unit with a roommate or other person(s) with whom the Owner maintains a common household.

5.3 No Subletting or Short-Term Rentals, Roommates. No portion of any Unit shall be sublet nor shall any Owner lease a Unit for transient or hotel purposes. Owners are prohibited from offering all or part of any Unit for short-term rental (i.e., for a period of less than one (1) month), through Airbnb, VRBO or other similar websites or entities, or by any other rental agreement which includes as consideration payment of money, trade or barter of other goods or services, or conveyance of property occupancy rights. However, a resident Owner may share his or her Unit with a roommate or other persons with whom the Owner maintains a common household and such persons may pay rent to the resident Owner, provided that all persons occupying the Unit are authorized, as verified by the Mutual.

5.4 Hardship Waivers. Upon written request of an Owner, the Board shall have the right, but shall not be obligated, to waive the one-year lifetime limitation stated in Section 5.1.3, above, in cases of deserving and unusual hardship (for instance, an illness requiring temporary relocation for treatment) provided: (i) each such waiver shall be for a limited term, not to exceed one (1) year; (ii) the Owner in question shall deliver to the Board a signed statement representing that he or she will retake possession and occupancy of the Unit as a Resident thereof upon the expiration of such limited term; and (iii) such waiver shall be subject to other conditions as the Board may determine, which conditions may include but shall not be limited to Board review and approval of the lease for such limited term. Owners may apply for consecutive hardship waivers and the Board may approve consecutive hardship waivers as deemed appropriate.

5.5 Time-Share Arrangements Prohibited. No Unit shall be leased, subleased, occupied, rented, let, sublet, or used for or in connection with any time-sharing agreement, plan, program, or arrangement, including without limitation any so-called "vacation license," "travel club," "extended vacation," or other membership or time interval ownership arrangement. The term "time-sharing" as used herein shall be deemed to include, but shall not be limited to, any agreement, plan, program, or arrangement under which the right to use, occupy, or possess any Unit in the Development rotates among various persons, either corporate, partnership, individual, or otherwise, on a periodically recurring basis for value exchanged, whether monetary or like-kind use privileges, according to a fixed or floating interval or period of time. This Section shall not be construed to limit the personal use of any Unit in the Development by any Owner or his or her or its social or familial guests.

5.6 Private Exchanges Prohibited. "Private Exchanges" or "home swaps" shall mean private exchange arrangements with another person whereby the Owner will occupy the dwelling of the other party to the exchange for a defined temporary period and that other person will occupy the Owner's Unit during the same period. Private Exchanges are prohibited.

5.7 Implementation. Upon request from the Board after this Declaration is recorded, each Owner renting or leasing a Unit shall provide such information as the Board may reasonably require implementing the provisions of this Article 5, including but not limited to the names of the tenants and the members of the tenants' household and the duration of the lease. Upon request by the Board, such Owners shall also provide the Board with a statement signed by the tenants acknowledging that they have read and understand the Mutual's Governing Documents and will abide by the provisions contained therein.

5.8 Mutual as Third-Party Beneficiary. The Owner and the tenant(s) of any Units subject to this Declaration shall be conclusively deemed to have agreed that the Mutual is an intended third party beneficiary to the contract between the Owner and the tenant(s); that failure of the tenant, members of the tenant's household, or guests to comply with the Governing Documents shall constitute a breach of the terms of the contract between the Owner and the tenant(s); and that the Mutual shall have the right

but not the obligation to enforce the contract and to pursue every remedy available under the contract, under this Declaration, including but not limited to the rights granted pursuant to Section 5.9, below, or under the law, including eviction, to the same extent as the Owner of the Condominium. The Mutual's right to maintain an eviction action shall arise only in the event that (i) the Mutual has given notice to the Owner detailing the nature of the infraction and the Owner has had a reasonable opportunity to take corrective action or to appear before the Board to present arguments against eviction by the Mutual, and (ii) the Owner has not taken action to prevent and/or correct the actions of the tenant giving rise to the damage or nuisance.

5.9 Assignment of Rents as Security for Payment of Liens. As security for the payment of all liens provided for under this Declaration, including those described in Section 8.2, each Owner hereby gives to and confers upon the Mutual the right, power, and authority during the continuance of such ownership to collect the rents, issues, and profits of the Owner's Unit, reserving unto the Owner the right, prior to any default by such Owner in performance of that Owner's obligations under the Governing Documents in payment of any indebtedness to the Mutual or in performance of any agreement thereunder including but not limited to those set forth in Section 8.2, to collect and retain such rents, issues, and profits as they may become due and payable. Upon any such default, the Mutual may at any time, upon ten (10) days' written notice to such Owner, then (either in person, by agent, or by a receiver to be security for such indebtedness) enter upon and take possession of such Owner's Unit or any part thereof, in its own name sue for or otherwise collect such rents, issues, and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorneys' fees, upon any such indebtedness, and in such order as the Mutual may determine or as required by applicable law. The entering upon and taking possession of said property, the collection of such rents, issues, and profits, and the application thereof as aforesaid, shall not cure or waive any default under the Governing Documents or invalidate any act done pursuant to this Declaration, including but not limited to imposition of a Reimbursement Assessment and any Additional Charges. The assignment of rents and powers described in this Section 5.9 shall not affect, but shall in all respects be subordinate to, the rights and power of the holder of any first Mortgage on any Unit, or any part thereof, to do the same or similar acts.

5.10 Owner Responsible for Tenant's Actions, Indemnification of Mutual. Each Owner leasing or renting a Unit shall be responsible and strictly liable to the Mutual for the action of such Owner's tenant(s) in or about all Units and Common Area and for each tenant's compliance with the provisions of the Governing Documents. To the fullest extent permitted by law, every Owner of a Unit that is occupied by persons other than the Owner pursuant to a rental agreement or lease or otherwise, agrees to and shall indemnify and defend the Mutual, its Directors and agents and shall hold them harmless from and against any cost, loss, claim, or damages of any kind, arising out of the conduct or presence of the occupants of the Unit, including but not limited to attorneys' fees, any claims for consequential damages, and any claims arising or alleged to arise out of the enforcement or non-enforcement by the Mutual of the

Governing Documents with respect to such occupants. Any amounts owed pursuant to this Section 5.10 may be assessed as a Reimbursement Assessment.

5.11 Owner Prohibited from Using Common Facilities While Unit Rented. Any Owner who leases or rents his or her Unit and does not still reside in the Development shall not be entitled to use and enjoy any common facility during the period the Unit is occupied by a tenant or tenants.

5.12 Owner-Owner Leases. Notwithstanding any other provision of the Governing Documents, leases for the use of Assigned Parking Spaces, golf cart parking spaces, Garages, or Carports between Owners ("Owner-Owner Lease") are permissible; provided, however, the Owner-Owner Lease is in writing and signed by all parties. Owners may not rent their parking spaces of any type to another Owner if doing so will prevent them from parking their personal vehicles in their assigned parking spaces, i.e., an Owner may not rent his or her parking spaces to another Owner and then use Common Area or guest parking spaces for his or her personal vehicle(s). There may be an unlimited number of Owner-Owner Leases. A copy of each such Owner-Owner Lease shall be provided to the Mutual within thirty (30) days of its execution.

All storage within Garages shall be maintained in a safe and sanitary condition and in accordance with Mutual Policies.

6.14 Deeded Garages. Each Owner of a Deeded Garage shall be responsible for the maintenance, repair and replacement of the Garage interior, and the maintenance, repair and replacement of the Garage doors (except for periodic painting of the exterior of the doors, which shall remain the responsibility of the Mutual, pursuant to Section 6.13, above), any system designed to open and/or close a Garage door, including but not limited to the Garage door hardware (including hinges, springs and mountings (including mounting track)), Garage door locks, Garage door openers, and the electrical system (including wiring, controls) for the Garage door opener. Owners must obtain the written approval of the Buildings and Facilities Committee and/or Board, pursuant to Article 7, before proceeding with repairs to Garages or replacing any Garage door. The provisions of this Section shall not be construed to permit any interference with or damage to the structural integrity of any building. Owners having the exclusive use of a Deeded Garage are solely responsible for the cost of electricity provided to their Deeded Garage and for the cost of maintenance, repair, and replacement of electrical wiring, fixtures, and lightbulbs located in their assigned Deeded Garage. All storage within the Deeded Garages shall be maintained in a safe and sanitary condition and in accordance with Mutual Policies.

6.15 HVAC Systems. The Mutual shall not be responsible for HVAC systems or for any hoses or other components serving the Units, except that the Mutual shall be responsible for making sure the end of the condensate line exiting onto Common Area is clear, except for exits of the condensate lines located in Owner-maintained gardens. Each Owner shall be responsible for the maintenance, repair, and replacement of the HVAC systems serving his or her Unit, including all mechanical and electrical components, thermostats, wiring, plumbing, ductwork, registers, and condensate lines. Owners are responsible for making sure the condensate lines remain unplugged, uncovered, and fully operational. In the case of Owner-maintained gardens, the Owner

is also responsible for making sure that all debris and vegetation is cleared from the exterior exit of the condensate lines.

6.16 Mailboxes. The Mutual shall be responsible for the repair and replacement of originally installed exterior mailboxes. Each Owner shall be responsible for the cleaning and upkeep of his or her exterior mailbox, whether originally installed or replaced. If an Owner installs a new mailbox through an alteration permit, the Owner and all subsequent Owners shall be responsible for maintenance, repair and replacement of the mailbox.

6.17 Owner-Altered Patio or Balcony Enclosures. Some Patios and Balconies have been enclosed, enlarged, or otherwise altered from the original design. Pursuant to the Alterations Permit issued at the time of the alteration, Owners are responsible for the maintenance, repair and replacement of these Owner-Altered Patio or Balcony Enclosures. This responsibility shall continue to subsequent Owners until such time as compliance with the Mutual building maintenance standards is confirmed during the next Major Rehabilitation Project of the building exterior in which the Unit is located. At that time, responsibility for the repair and replacement of the Owner-Altered Patio or Balcony Enclosures shall shift to the Mutual. The Mutual shall not be responsible for the maintenance, repair, and replacement of an Owner-Altered Patio or Balcony Enclosure for which the Owner is responsible as recorded in the Unit file at the Alterations Department and for which maintenance, repair, and replacement responsibility has not shifted back to the Mutual during the course of a Major Rehabilitation Project or by other agreement. At such time of the next Major Rehabilitation Project of the building exterior in which the Unit is located, the Mutual shall determine the cost of bringing the Owner-Altered Patio or Balcony Enclosure for which an Owner is responsible up to the current Mutual building maintenance standards for the building structure and exteriors. Owners shall be charged as an Owner billable any cost over \$1,500 in 2018 dollars, or as defined by Policy, to bring the Owner-Altered Patio or Balcony Enclosure up to the current building maintenance standards for building structure and exteriors. The amount contained in the Policy may be revised by the Board from time to time if there are significant changes in costs. After the Major Rehabilitation Project is complete, the Mutual shall assume responsibility for the maintenance, repair, and replacement of the structure and exterior of the Owner-Altered Patio or Balcony Enclosure. Any change in allocation of maintenance responsibility shall be recorded in the Unit file at the Alterations Department. Owners shall be responsible for the cost of maintenance, repair, and replacement of Owner-Altered Patios or Balconies until such time as the maintenance responsibilities shift back to the Mutual as described in this Section, above. Owners are always responsible for day-to-day maintenance of their Owner-Altered Patios or Balconies.

6.18 Patios. The Mutual shall be responsible for the repair and replacement of Patios. The Mutual shall provide maintenance, repair and replacement of any originally installed walls or fences surrounding a Patio, including any walls or fencing that form the boundary between two Patio areas. Each Owner shall be responsible for the cleaning and upkeep of the Patio the exclusive use of which has been assigned to his or her

Unit. Each Owner shall also be responsible for the maintenance, repair and replacement of any improvements in the Patio area, including but not limited to Owner-installed floor coverings (such as tile or wood planks), plantings, and landscaping, subject to Rules adopted by the Board. In the event that the Mutual needs to conduct repair or replacement activities on an Owner's Patio, the Owner shall be solely responsible for the removal and restoration of any Owner-installed floor covering.

6.19 Plumbing. The Mutual shall be responsible for the maintenance, repair and replacement of Common Area plumbing located on Common Area, including the plumbing pipes located inside exterior walls of the building in which the Unit is located, and also including plumbing located inside non-bearing interior walls which are part of the Unit. Notwithstanding the foregoing allocation of responsibility, the Mutual shall not be responsible for plumbing, which is altered by the Owner, except as set forth below. Each Owner shall be responsible for providing maintenance, repair and replacement of plumbing pipes, lines, and fixtures located within the Unit, except for pipes located inside non-bearing interior walls as set forth in this Section, above. Notwithstanding the foregoing, plumbing which the Owner has altered or replaced during the course of a permitted alteration project is the maintenance, repair and replacement responsibility of the Owner regardless of location of the plumbing.

6.20 Skylights and Solar Tubes. Unless originally installed, each Owner shall be responsible for the maintenance, repair and replacement of the skylights and solar tubes serving his or her Unit, including all frames, the lens/bubble, flashing and other waterproofing components. Owners, however, are prohibited from accessing the roof to perform any such maintenance, repair or replacement. If work cannot be performed from inside the Unit, the Mutual may provide maintenance, repair and/or replacement of the skylight and/or its components and levy a Reimbursement Assessment against the Owner of the Unit served by the skylight or solar tube. Alternatively, the Owner may contract with a licensed, approved contractor to perform maintenance, repair, or replacement of the skylight and/or solar tube, provided an alteration application is submitted to the Board and approved prior to commencement of the work.

6.21 Smoke Detectors and Carbon Monoxide Detectors. The Mutual shall provide maintenance, repair and replacement of the ten-year battery-operated smoke detectors installed by the Mutual located inside the Units. Each Owner shall provide maintenance, repair and replacement of the carbon monoxide detectors or additional smoke detectors located inside the Units. Additionally, testing of battery-operated smoke detectors and/or carbon monoxide detectors that are or that may in the future be located in a Unit shall be the sole responsibility of the Unit Owner. Unit Owners must immediately report any Mutual-installed ten-year smoke detectors which are in need of maintenance, repair, or replacement to the Mutual. The Mutual shall not be responsible or liable for the consequences of any Owner's failure to test any battery-operated smoke detector or carbon monoxide detector installed in an Owner's Unit or for an Owner's failure to report a malfunctioning smoke detector to the Mutual. The Mutual and the Fire Marshal shall have a reasonable right of entry to inspect any Unit to verify that such Unit contains working smoke and carbon-monoxide detectors as required by law.

6.22 Storage Spaces. The Mutual shall provide maintenance, repair and replacement of Storage Spaces. Each Owner and Resident shall be responsible for the day-to-day upkeep and cleaning of the interior of the Storage Space assigned to his or her Unit.

6.23 Water Heaters. The Mutual shall not be responsible for water heaters serving the Units or for any of the hoses or other components of the water heaters serving the Units, except that the Mutual shall be responsible for making sure the end of the condensate line exiting onto Common Area is clear, except for exterior exits of the condensate lines located in Owner-maintained gardens. Each Owner shall be responsible for the maintenance, repair and replacement of the water heater serving his or her Unit, including the water lines and hoses and all other components of the water heating system, and including exterior exits of the condensate lines located in Owner-maintained gardens, which exterior exits must be kept clear by the Owner.

6.24 Window Systems and Sliding Glass Doors. The Mutual's responsibility for window systems and sliding glass doors shall be limited to the maintenance and repair of originally installed window and sliding glass door flashing. Each Owner shall be responsible for the maintenance, repair and replacement of the glass and weatherstripping of originally installed window systems and sliding glass doors and for replacement of originally installed window systems and sliding glass doors which have reached the end of their useful life and need to be replaced as a result. Owners shall be solely responsible for the maintenance, repair, and replacement of all window systems and sliding glass doors of his or her Unit which are not originally installed. Any replacement of window systems and/or sliding glass doors by Owners outside of any window system and/or sliding glass door replacement by the Mutual shall be subject to Article 7 of this Declaration. Replacement of the entirety of a window system (i.e., replacement of a "window") and/or a sliding glass door by an Owner may occur under one of two conditions, and subject to the Board's discretion, as follows: (i) the Owner shall hire a licensed and insured contractor, as approved by the Board, to ensure that all components of the window systems and/or sliding glass doors, including but not limited to the frames, flashing and waterproofing components, are properly installed and integrated with the building envelope; or (ii) the Mutual shall hire a licensed and insured contractor to ensure that all components of the window systems and/or sliding glass doors, including but not limited to the frames, flashing and waterproofing components, are properly installed and integrated with the building envelope. The Owner shall be responsible for all costs associated with replacement of window systems and/or sliding glass doors of the Owner's Unit, including any costs incurred by the Mutual in hiring a contractor; such costs may be collected via a Reimbursement Assessment or Owner billable.

6.25 Units. Each Owner shall be responsible for providing maintenance, repair, and replacement of his or her Unit or any portion thereof, as defined in Section 1.51, including any equipment, utility facilities, fixtures, cabinetry and appliances located therein, and the finished surfaces of the interior floors, ceilings and perimeter walls of the Unit, in a safe, clean, sanitary, workable, and attractive condition, subject to the

provisions of this Article 6 and Article 7.

6.26 Interior Decorations. Each Owner shall have complete discretion as to furniture, furnishings, and interior decorating of the interior of his or her Unit and shall have the exclusive right to paint, plaster, panel, tile, paper, or otherwise refinish and decorate the interior surfaces of the walls, ceilings, floors and doors bounding his or her Unit, and to substitute new finished surfaces for the finished surfaces existing on said walls, ceilings, floors and doors; subject, however to Section 4.11 of this Declaration (entitled "Floor Coverings"), the Maintenance Policies, and the Architectural Rules. Installation of crown molding requires an alterations permit. In no instance shall the Owner do anything in or about his or her Unit or Exclusive Use Common Area that will affect the structural integrity of the building in which such Unit and Exclusive Use Common Area are located or adversely impact neighbors.

6.27 Battery-Operated Smoke Detectors and Carbon Monoxide Detectors. The maintenance, repair and replacement of any battery-operated smoke detectors and/or carbon monoxide detectors that are or that may in the future be located in a Unit shall be as set forth in Section 6.21, above.

6.28 Hoses and Water Lines. Owners shall be responsible for the maintenance, repair and replacement of hoses to all appliances, including washing machines, refrigerators, and dishwashers and shall be strictly liable for any damage or loss resulting from broken, burst, or leaking hoses.

6.29 Water Damage and Mold. Each Owner is responsible for water damage to his or her Unit, other Units, and/or the Common Area and mold in his or her Unit, other Units, and/or the Common Area: (i) caused by the Owner, Resident (including tenant), guests or invitees; or (ii) originating from one of the components, including but not limited to plumbing lines, plumbing-related fixtures, windows and sliding glass doors, which the Owner is responsible for maintaining, repairing and replacing. Each Owner shall regularly inspect his or her Unit for plumbing leaks, water accumulation, water intrusion through windows, doors, and roofs, and signs of mold. Owners must periodically service and/or replace supply and drain lines to appliances, heating, venting and air conditioning ("HVAC") equipment, sinks, toilets and other components. Additionally, Owners must report evidence of plumbing leaks, water accumulation, water intrusion and/or mold to the Mutual upon discovery.

6.30 Compliance with Architectural Rules. An Owner's right and responsibility for maintaining, repairing or replacing any portions of his or her Unit and/or any Exclusive Use Common Area appurtenant to the Unit shall be subject to any applicable provisions of the Governing Documents relating to landscaping and architectural control, including Article 7.

6.31 Reimbursement Assessments. If, in the course of performing its obligations to maintain, repair and replace, the Mutual and/or its agents discover damage to components not otherwise the responsibility of the Mutual, the Mutual has the right, but

not the obligation, to repair or replace the damaged component(s) for which the Owner is responsible. The Owner shall reimburse the Mutual for the cost of said repair or replacement, which may be levied as a Reimbursement Assessment. If it is determined that the cause of damage to a component, the maintenance, repair and/or replacement of which is the Mutual's responsibility, is a failed or improperly installed component for which the Owner is responsible, then the Mutual shall also have the right to replace said component and may levy a Reimbursement Assessment against the Unit Owner to reimburse the Mutual for replacement costs as well as the costs to correct the damage resulting from that component.

6.32 Owner Alterations. In the event an Owner or Resident has altered, modified, or added on to a Unit or to a component that would otherwise be the responsibility of the Mutual and which increases the maintenance, repair and/or replacement cost to the Mutual, the Owner shall reimburse the Mutual for the increased cost, which may be levied as a Reimbursement Assessment. The Mutual may condition approval of an alteration on an Owner assuming responsibility for increased maintenance costs associated with the modification. However, the Owner and his or her successors shall be responsible for payment of increased costs even in the absence of an express assumption of responsibility.

6.33 Repair of Damage Caused by Pests or Organisms. The Mutual shall bear the costs for the repair and maintenance of its Common Area (including Exclusive Use Common Area) damaged by the presence of wood-destroying pests or organisms or other pests. However, if any of the maintenance and repair work referred to in this Section is necessitated by the willful or negligent acts of the Owner, members of his or her household, guests, tenants or invitees, the costs of such maintenance or repairs shall be charged to, and paid by, the Owner as a Reimbursement Assessment. Residents shall cooperate with the Mutual to enable any fumigation work to be done promptly and effectively. Owners shall be responsible for all costs for food, lodging, and other relocation costs during the period during which the Unit is required to be vacated.

6.34 Modifications that Affect Structural Integrity or Common Systems. No Owner shall do anything in or about his or her Unit and/or Exclusive Use Common Area appurtenant to his or her Unit that will affect or compromise the structural integrity of the building in which it is located and/or the common systems, including but not limited to the plumbing and electrical systems.

6.35 Owner Liability. In the event the need for any maintenance, repair, or replacement of a component which is otherwise the Mutual's responsibility is caused by the willful or negligent act or omission of an Owner or members of an Owner's household, tenants, guests, invitees, or household pets, the cost of such maintenance, repair, or replacement, including the cost of materials, labor, supplies, and services, shall be charged to, and paid by, such Owner in the form of a Reimbursement Assessment. Owners shall be further responsible for any damage to Common Area or the Unit and improvements of another Owner which emanates from an Owner's Unit or Exclusive Use Common Area appurtenant to the Unit. The cost of any such

maintenance, repair or replacement of damaged components, including the cost of materials, labor, supplies, and services, shall be charged to, and paid by, the Owner responsible in the form of a Reimbursement Assessment. This provision shall apply regardless of the applicability of coverage provided by Mutual-maintained policies of insurance.

6.36 Availability or Applicability of Insurance Proceeds. The responsibilities for maintenance, repair, and replacement as set forth in this Article 6 shall apply irrespective of the availability or applicability of insurance proceeds from the Mutual's blanket policy. In the event of a loss covered by the Mutual's blanket policy, the Owner(s) of the damaged Unit have the right to apply the proceeds to pay for repairs caused by the loss. However, the mere fact that the Mutual's master policy may provide coverage in the event of a loss does not relieve Owner(s) of the responsibilities and liabilities as set forth in this Declaration, including this Article 6.

6.37 Mutual's Right of Entry. The Mutual or its agents may enter any Unit or any portion of Exclusive Use Common Area which has been designated or assigned for the exclusive use of the Residents of a particular Unit, whenever there exists good cause for such entry, in the Board's discretion: (i) in connection with the performance of any maintenance, repair, construction, or replacement for which the Mutual is responsible or which it is authorized to perform; (ii) to mitigate damages; (iii) to inspect the Unit and/or Exclusive Use Common Area appurtenant thereto to ensure compliance with the Governing Documents and/or determine whether maintenance, repair, construction, or replacement is necessary; and/or (iv) for any other legitimate Mutual purpose. Neither the Mutual nor its agents, acting in good faith, shall be liable for trespass for entering a Unit and/or Exclusive Use Common Area under these circumstances.

6.37.1 Notice of Entry. The Mutual shall provide reasonable advance written notice of not less than twenty-four (24) hours, except in the event of an emergency. Prior to entry in the event of an emergency, the Mutual shall make a good faith effort to provide notice to the Owner and/or Residents as the exigencies of the circumstances permit.

6.37.2 Emergency Entry. In the event of an emergency, the Mutual or its agents may enter the Unit and/or Exclusive Use Common Area without notice. Such entry shall not constitute trespass or other wrongful act and neither the Mutual nor its agents shall be subject to liability to the Owner or Resident. Prior to entry in the event of an emergency, the Mutual shall make a good faith effort to provide notice to the Owner and/or Residents as the exigencies of the circumstances permit.

6.37.3 Duty to Cooperate with Mutual. All Owners and Residents have a duty to cooperate with the Mutual to perform its responsibilities as set forth in this Declaration.

6.37.4 Duty to Vacate. Each Owner and Resident has the duty to vacate a Unit and/or Exclusive Use Common Area if required for treatment and/or repairs related to or resulting from termites, other pest infestations, and microorganisms, or as is necessary for the Mutual to perform work within the Unit and/or Exclusive Use Common Area. The expense of any temporary relocation during such repair and maintenance of any Unit and/or Exclusive Use Common Area shall be the responsibility of the Unit Owner.

6.37.5 Permit Access. Each Owner and Resident has the duty to permit access to the Unit and/or Exclusive Use Common Area to permit the Mutual to perform its responsibilities as set forth in this Declaration. Each Owner and Resident also has the duty to move (and store if necessary) personal property, including but not limited to furniture, vehicles, solar panels, and satellite dishes/antennas, as is necessary to permit the Mutual and its agents to access the Unit and/or Exclusive Use Common Area to perform its responsibilities as set forth in this Declaration.

6.37.6 Failure to Cooperate/Vacate. In the event any Owner or Resident fails to vacate or provide access to a Unit and/or Exclusive Use Common Area or otherwise cooperate with the Mutual, the Mutual shall be authorized to levy a Reimbursement Assessment against the Unit Owner for all expenses incurred by the Mutual in obtaining access to the Unit and/or Exclusive Use Common Area, including but not limited to attorneys' fees (regardless of whether legal proceedings are instituted), locksmith costs, storage costs, and moving costs. The Mutual is authorized to hire a locksmith to gain entry to a Unit or Exclusive Use Common Area.

6.38 Board Discretion. In addition to the authority granted to the Mutual above, to enter any Unit and/or Exclusive Use Common Area, the Board shall have the absolute discretion to determine whether any maintenance, repair, or replacement, which is the responsibility of an Owner, is necessary to preserve the appearance and value of the property within the Development or any portion thereof. If appropriate, and time and circumstances permitting and appropriate as determined by the Board in its sole discretion, the Board may notify an Owner of the work the Board deems necessary rather than arranging to have the work performed. In the event an Owner fails to perform such work within thirty (30) days after notification by the Board to the Owner the Board may, after written notice to the Owner, and the opportunity of a hearing before the Board, cause such work to be done and charge the cost thereof to the Owner as a Reimbursement Assessment.

ARTICLE 7 ARCHITECTURAL REVIEW

7.1 Improvements and Modifications. Except for improvements made or constructed by or on behalf of the Mutual, no exterior addition or modification of any kind, including but not limited to any fence, wall, obstruction, window, exterior door, Balcony, Deck, Patio, screen, patio cover, tent, awning, roof, pool, outdoor lighting, improvement, or other structure of any kind, and/or landscaping, shall be commenced, erected, painted or maintained within the Development, nor shall any exterior addition to or change or alteration thereto be made until the plans and specifications showing the nature, kind, shape, color, height, size, materials, and location of the same have been submitted to and approved in writing by the Buildings and Facilities Committee and/or Board as provided in this Article 7.

7.1.1 Satellite Dishes and Antennas. No outside radio or television aerial, mast, pole, tower, antenna (including so-called "CB" or "ham" radio antennas), receiver, transmitter or satellite dish, to the extent restricted by Section 4.16, may be commenced, erected or installed without the prior written approval of the Buildings and Facilities Committee and/or Board as provided in this Article 7.

7.1.2 Solar Energy Systems. No installation or modification of a solar collector, solar panel, or other solar energy device or system in Common Area, including Exclusive Use Common Area, is permitted without the prior written approval of the Buildings and Facilities Committee and/or Board as provided in this Article 7.

7.1.3 Hard-Surface Flooring. No hard-surface flooring may be replaced or installed without the prior written approval of the Buildings and Facilities Committee and/or Board as provided in this Article 7 and Section 4.11 of this Declaration.

7.2 Establishment of Buildings and Facilities Committee ("BFC").

7.2.1 Members. The BFC, if any, shall be composed of at least three (3) Members in Good Standing appointed by the Board of Directors. The Chair of the BFC shall be a Director. The Board may also appoint one (1) alternate member who may be designated by the BFC to act as a member of the BFC in the absence or incapacity of any BFC member. BFC members shall serve one (1) year terms subject to the Board's power to remove any BFC member and to appoint his or her successor. Neither the members of the BFC nor its designated representatives shall be entitled to any compensation for service performed pursuant hereto.

7.2.2 Board May Serve as Buildings and Facilities Committee. If at any time there shall not be a duly constituted Buildings and Facilities Committee, the Board shall exercise the functions of the BFC in accordance with the terms of this Article 7.

7.2.3 Vacancies. In the event of a vacancy on the BFC, the Board shall have the full authority to appoint a new member.

7.2.4 Duties. It shall be the duty of the Buildings and Facilities Committee, if any, to consider and act upon proposals or plans submitted to it pursuant to the terms of this Article 7; to propose for adoption Architectural Rules as set forth in Section 7.3, below; to perform other duties delegated to it by the Board; to carry out all other duties imposed upon it by this Declaration; and to act in accordance with Civil Code section 4765.

7.2.5 Meetings, Minutes, Reimbursement. The BFC, if any, shall meet as necessary to properly perform its duties hereunder. The vote or written consent of a majority of the members of the BFC shall constitute an act by the BFC. The BFC shall keep and maintain a record of all actions/recommendations taken by or made by it at such meetings or otherwise. The BFC and its members shall be entitled only to reimbursement for reasonable out-of-pocket expenses incurred by them in the performance of any BFC function.

7.3 Architectural Rules. Subject to the Board's approval and the requirements of Civil Code sections 4350 et seq., the BFC, if any, may propose, for adoption by the Board, Architectural Rules which may interpret and implement the provisions hereof by providing for any or all of the following:

7.3.1 The standards and procedures for BFC and/or Board review, including the required content of application and procedures for obtaining preliminary approval of plans.

7.3.2 Guidelines for architectural design, placement of any work of improvement or color schemes, exterior finishes and materials, and similar features which are recommended or required for use in connection with particular improvement within the Development.

7.3.3 The criteria and procedures for requesting variances from any property use restrictions or minimum construction standards that would otherwise apply to the proposed improvement under the Governing Documents. All variances shall be reviewed on a case-by-case basis with no precedent being established if a variance is granted in a particular instance and must be approved by a majority of the affirmative votes of the BFC and/or Board.

7.3.4 Lists of repair projects and minor improvement projects that can receive final review and approval by the Buildings and Facilities Committee, if any, without review/approval by the Board, so long as the project is undertaken in accordance with plans and specifications that are consistent with the Architectural Rules.

7.3.5 Notwithstanding the foregoing, no Architectural Rules shall be in derogation of the minimum standards required by this Declaration. In the event of any conflict between the Architectural Rules and this Declaration, the provisions of this Declaration shall prevail.

7.4 Alteration Application. Any Owner proposing to perform any work of any kind whatsoever, which requires prior approval pursuant to this Article 7, shall be a Member in Good Standing and shall apply for approval by notifying the BFC, and/or Board, in writing, of the nature of the proposed work and furnishing such information and documentation as the BFC, if any, and Board may require.

7.5 Fees, Consultants. The BFC and/or Board may charge the applicant a reasonable fee or fees for its review of architectural applications, drawings, plans, and specifications which may include the cost of retaining outside consultants including but not limited to architects, engineers, soils experts, or contractors. The costs of any such outside consultants may be levied against an Owner and his or her Unit as a Reimbursement Assessment (or "Owner billable"). However, before a consultant is retained by the BFC and/or Board, the Owner will be informed in writing of the BFC and/or Board's intention to retain a consultant at the Owner's expense and the Owner will be given the opportunity to decide to pay the consultant's fee or decide not to pursue the improvement or modification. An Owner who withdraws his or her application shall do so without penalty, including fees.

7.6 Decisions on Architectural Applications. The Owner and, in the Board's discretion, other interested persons, may present information relevant to the requested approval. The decisions of the BFC and/or Board shall be made in good faith and shall not be unreasonable, arbitrary or capricious. The BFC and/or Board may employ subjective criteria and judgments in their review of and determination regarding plans and proposals submitted to them. The decisions of the BFC and/or Board shall be made from the perspective of the interest of the Development as a whole, including the coherence, value, attractiveness and aesthetic compatibility of all architectural designs and features in the Development, after consideration of all factors the Board determines to be relevant and after reasonable investigation consistent with the scope and circumstances of the proposal.

7.7 Grant of Approval. The Buildings and Facilities Committee or, if there is no Committee, the Board shall grant the requested approval only if all the following conditions are met:

7.7.1 The applicant is a Member in Good Standing.

7.7.2 The Owner complied with the provisions of Section 7.4 above.

7.7.3 The BFC and/or Board find(s) that the plans and specifications conform to this Declaration and to the Architectural Rules in effect at the time such plans were submitted to the BFC and/or Board.

7.7.4 The BFC and/or Board determine(s) that the proposed improvements would be consistent with the standards and aesthetics of the Development and the purposes of this Declaration as to the quality of workmanship, design and materials; harmony of exterior design with the existing improvements; structures; and location with respect to topography and finished grade elevations.

7.8 Timing and Form of Approval. All approvals and rejections of requests for approval shall be in writing and shall be issued by the BFC and/or Board within sixty (60) days from the date of submission of a complete application to the BFC and/or Board. If the BFC and/or Board fails to act on a request for approval within sixty (60) days from the date of submission of a complete application, the Owner shall be entitled to request internal dispute resolution, as described in Section 9.12.2, below, and Civil Code sections 5900 et seq.; except that, in the case of an application for installation or use of a solar energy system subject to Civil Code section 714, any complete application that is not denied by the BFC and/or Board within forty-five (45) days from receipt of a complete application shall be deemed approved; and in the case of an application for installation or use of an electric vehicle charging station subject to Civil Code section 4745(e), any complete application that is not denied by the Board within sixty (60) days from receipt of a complete application shall be deemed approved. Owners are responsible for confirming receipt of an application by the BFC and/or Board. Oral approvals will be of no force and effect. If an application is rejected, the decision shall include an explanation of the decision of the BFC and/or Board and a notice describing the Owner's right to request reconsideration, if any.

7.9 Appeals. Reconsideration by the Board. If an application is denied by the BFC, the Owner-applicant is entitled to reconsideration of the decision by the Board at an open Board meeting. The Architectural Rules shall contain procedures to process appeals pursuant to this Article 7; however, denial decisions rendered by the Board may not be appealed. BFC decisions may also be modified or overturned by the Board on its own initiative.

7.10 Commencement. Within ninety (90) days of receipt of approval pursuant to Sections 7.7 and 7.8, above, the Owner shall satisfy all conditions thereof and diligently proceed with the commencement and completion of all work pursuant to said approval. If the Owner shall fail to comply with this Section, any approval previously given shall be deemed revoked unless the Board, upon written request of the Owner made prior to the expiration of said ninety (90) day period, extends the time for such commencement. No such extension shall be granted except upon a finding by the Board that there has been no change in the circumstances upon which the original approval was granted.

7.11 Completion. Unless shorter time is specified in the approval by the Mutual, the Owner shall complete the approved work within six (6) months after receipt of approval, except and for as long as such completion is rendered impossible or would result in great hardship to the Owner due to strikes, fires, national emergencies, natural calamities, or other supervening forces beyond the control of the Owner or his agents. If

an Owner fails to comply with this Section, the Board shall proceed in accordance with the provisions of Section 7.12, below, as though the failure to complete the improvements was a non-compliance with approved plans.

7.12 Inspection of Completed Work, Non-Compliance. Inspection of work and correction of defects therein shall proceed as follows:

7.12.1 Upon the completion of any installation, construction, reconstruction, alteration, or refinishing of the exterior of any improvements, or upon the completion of any other work for which approved plans are required under this Article 7, the Owner shall give written notice thereof to the BFC and/or Board.

7.12.2 Within sixty (60) days thereafter, the BFC, and/or Board, or its duly authorized representative, may inspect such improvement to determine whether it was installed, constructed, reconstructed, altered, or refinished to substantial compliance with the approved plans. If the BFC, and/or Board finds that such installation, construction, reconstruction, alteration, or refinishing was not done in substantial compliance with the approved plans, it shall notify the Owner in writing of such non-compliance within such sixty (60) day period, specifying the particulars of non-compliance, and shall require the Owner to remedy such non-compliance.

7.12.3 If the Owner shall have failed to remedy such non-compliance upon the expiration of thirty (30) days from the date of such notification, the BFC, and/or Board, or other duly authorized representative of the Board shall notify the Board in writing of such failure. The Board shall then set a date on which a hearing before the Board shall be held regarding the alleged non-compliance. The hearing date shall be not more than thirty (30) days nor less than fifteen (15) days after notice of the non-compliance is given to the Board by the BFC, if any, or the Board's duly authorized representative. Notice of the hearing date shall be given at least ten (10) days in advance thereof by the Board to the Owner, to the BFC, if any, and, in the discretion of the Board, to any other interested party.

7.12.4 At the hearing, the Owner, the BFC, if any, and, in the Board's discretion, any other interested persons, may present information relevant to the question of the alleged non-compliance. After considering all such information, the Board shall determine whether there is non-compliance, and, if so, the nature thereof and the estimated cost of correcting or removing the same. If non-compliance exists, the Board shall require the Owner to remedy or remove the same within a period of not more than forty-five (45) days from the date of the Board's ruling. If the Owner does not comply with the Board's ruling within such period or within any extension of such period as the Board, in its discretion, may grant, the Board, at its option, may either remove the non-complying improvement or remedy the non-compliance and all expenses incurred in connection therewith shall be assessed against the Owner as a Reimbursement Assessment.

7.12.5 If, for any reason, the BFC and/or Board fails to notify the Owner of any non-compliance within sixty (60) days after receipt of a notice of completion from the Owner, the improvement shall be deemed to be in accordance with the approved plans.

7.13 Non-Waiver. The approval by the BFC and/or Board of any plans, drawings, or specifications for any work done or proposed, or for any other matter requiring the approval of the BFC and/or Board under this Declaration, shall not be deemed to constitute a waiver of any right to withhold approval of any similar plan, drawing, specification, or matter subsequently submitted for approval.

7.14 Estoppel Certificate. Within thirty (30) days after written demand is delivered to the Mutual by any Owner, and upon payment to the Mutual of a reasonable fee (as fixed from time to time by the Board), the Board shall cause to be recorded an estoppel certificate, certifying (with respect to any Condominium of said Owner) that as of the date thereof, either: (i) all improvements made and other work completed by said Owner comply with this Declaration, or (ii) such improvements or work do not so comply, in which event the certificate shall also identify the non-complying improvements or work and set forth with particularity the basis of such non-compliance. Any Owner, or anyone deriving any interest in a Unit through him or her, shall be entitled to rely on said certificate with respect to the matters therein set forth, such matters being conclusive as between the Mutual and all Owners and such persons deriving any interest through them.

7.15 Liability. Neither the BFC and/or the Board (or any member thereof) shall be liable to the Mutual or to any Owner for any damage, loss, or prejudice suffered or claimed on account of: (i) the approval or disapproval of any plans, drawings, and specifications, whether or not defective; (ii) the construction or performance of any work, whether or not pursuant to approved plans, drawings, and specifications; (iii) the development of any property within the Development; or (iv) the execution and filing of an estoppel certificate pursuant to Section 7.14, whether or not the facts therein are correct; provided, however, that the BFC and/or Board (or any member thereof) has acted in good faith on the basis of such information as may be possessed by it (or such BFC, if any, and/or the Board member). Without in any way limiting the generality of the foregoing, the BFC, if any, and/or Board (or any member thereof) may, but is not required to, consult with or hear the views of the Mutual or any Owner with respect to any plans, drawings, specifications, or any other proposal submitted to the BFC and/or the Board. Every purchaser, by acquiring title to a Condominium, agrees not to bring any action or suit against the BFC, if any, and/or Board (or any member thereof) seeking to recover any such damages.

7.16 Compliance with Governmental Requirements. The application to the Mutual and the review and approval of any proposals, plans, or other submittals shall in no way be deemed to be satisfaction of or compliance with any building permit process or any other governmental requirements, the responsibility for which lies solely with the respective Owner, nor shall it constitute the assumption of any responsibility by or

impose any liability on the BFC and/or Board (or any member thereof) as to the accuracy, efficacy, or sufficiency thereof. The obtaining of a permit or other approval of a government agency shall not be a substitute for nor constitute compliance with the requirements of this Article 7.

ARTICLE 8 ASSESSMENTS AND LIENS

8.1 Covenant of Owner. Each Owner of a Condominium within the Development, by acceptance of a deed or other conveyance thereof, whether or not it shall be so expressed in such deed or conveyance, shall be deemed to have covenanted and agreed to pay to the Mutual: (i) Annual Assessment (also known as the "Regular Assessment" or "Monthly Coupon"); (ii) Special Assessments; and (iii) Reimbursement Assessments (also known as "Owner billables") levied by the Mutual as hereinafter provided, together with all Additional Charges.

8.1.1 Mutual's Power to Collect. Such deed or conveyance shall be deemed to vest in the Mutual the right and power to initiate all actions and procedures as the Board shall deem necessary or appropriate for the collection of such Assessments and Additional Charges and for the enforcement of the liens hereinafter provided for.

8.1.2 Each Assessment is a Separate Obligation. Each Assessment levied by the Mutual under this Article 8, together with all Additional Charges, shall be a separate, distinct, and personal debt and obligation of the Owner against whom it is assessed, and shall bind his or her heirs, devisees, personal representatives, successors, and assigns.

8.1.3 Obligation Runs with the Land. Such obligation to pay Assessments and Additional Charges and the right and power of the Mutual to initiate all actions and procedures for collection shall run with the land, so that each successive Owner or Owners of record of any Condominium within the Development shall, in turn, become liable to pay all such Assessments and Additional Charges assessed during the time he or she is the record Owner of such Condominium.

8.1.4 Owner's Liability after Transfer. After an Owner transfers fee title to any Condominium he or she owns, he or she shall not be liable for any Assessments levied thereafter with respect to such Condominium. Such Owner shall remain personally liable, however, for all unpaid amounts due and owing at the time of transfer, together with Additional Charges accruing until time of collection. The seller of any Condominium shall continue to be liable for all Assessments and Additional Charges until a conveyance by deed of such Condominium is recorded in the Office of the County Recorder of Contra Costa County.

8.2 Creation of Lien. Each Assessment levied by the Mutual pursuant to this Declaration, together with all Additional Charges, shall be a charge upon the land and upon levy shall be secured by a continuing lien upon the property against which such Assessment is levied. The Mutual shall have a separate lien and a separate lien is hereby created upon each Condominium to secure the payment of any such Assessments and Additional Charges as may be levied under this Declaration.

8.3 Continuing Lien. The lien provided for herein shall continue to secure all Assessments and Additional Charges levied upon any Condominium notwithstanding the transfer of record title to such Condominium, and any such transfer shall be subject to the Mutual's lien, provided that, prior to such transfer, a Notice of Delinquent Assessment has been recorded as provided in this Declaration and by law.

8.4 Purpose of Assessments. The Assessments levied by the Board shall be used exclusively to pay for the costs of management and operation of the Development and the Mutual therein, to conduct the business and affairs of the Mutual, to promote the recreation, health, welfare, benefit, and interests of the Owners and Residents in the Development, and for the improvement and maintenance of the Common Area and, to the extent provided for in the Governing Documents or by law, of the Units situated within the Development.

8.5 Authority of the Board. The Board shall have the power and the duty to levy Annual, Special and Reimbursement Assessments sufficient to meet the Mutual's obligations under the Governing Documents and applicable law.

8.6 Annual Budget. The Annual Budget shall separately identify all operating funds and replacement reserves necessary and appropriate to enable the Mutual to fulfill its responsibilities for Maintenance, Repair, and Replacement of its Common Area improvements.

8.7 Annual Assessment.

8.7.1 Calculation of Estimated Requirement. Not later than thirty (30) days nor more than ninety (90) days prior to the beginning of each fiscal year, the Board shall complete and distribute to all Owners an estimate of the net funds required by the Mutual for such fiscal year, to manage, administer, operate, and maintain the Mutual; to conduct the affairs of the Mutual; and to perform all of the Mutual's duties in accordance with this Declaration, including a reasonable amount allocated to contingencies and to the Mutual's reserve funds for restoration, repair, and/or replacement of those components for which the Mutual is responsible and which must be repaired or replaced on a periodic basis and including the portion of the costs allocable to the Mutual for the Foundation as provided in Section 2.6. The amount of estimated required funds shall constitute the Annual Assessment.

8.7.2 Allocation of Annual Assessment. The Board shall allocate the Annual Assessment entirely to and equally against all Condominiums located in the Mutual. All other costs in the Annual Budget shall be allocated equally against all Condominiums in the Development. Unless the Board shall designate otherwise, the Annual Assessment shall be levied on an annual basis and shall be paid in twelve (12) equal monthly installments during the fiscal year, and each installment shall be due and payable on the first day of each month.

8.7.3 Surplus Funds. If, as of the end of any fiscal year, there is an excess of membership income over membership expenses as defined in Internal Revenue Code section 277 for the year ended, such excess shall be applied against the subsequent tax year's Assessments as provided in Internal Revenue Service Revenue Ruling 70-604, unless some other lawful disposition of such excess income is determined by the vote of the Members.

8.7.4 Increases in Annual Assessment. Pursuant to Civil Code section 5605(b), except as otherwise provided by law, the Board shall not increase the Annual Assessment for any fiscal year above the amount of the Annual Assessment for the preceding fiscal year by more than twenty percent (20%) (or such other limitation on the increase as may be imposed by law), except upon the affirmative vote of a majority of Members voting on any such increase in the Annual Assessment, provided that a quorum is established. For purposes of the preceding sentence, a quorum shall mean more than fifty percent (50%) of the Members, notwithstanding any lower quorum requirement set forth in the Bylaws.

8.8 Special Assessments.

8.8.1 Purpose of Special Assessments. If at any time during any fiscal year the Annual Assessment proves inadequate for any reason, including nonpayment of any Owner's share thereof or the unexpected repair, replacement or reconstruction of improvements, or if funds are otherwise required for any authorized activity of the Mutual, the Board may levy a Special Assessment in the amount of such actual or estimated inadequacy or cost.

8.8.2 Allocation of Special Assessments. Special Assessments shall be allocated and assessed among the Condominiums in the same manner as the Annual Assessment (i.e., equally among the Units by dividing the total amount of the Special Assessment by the number of Units). The Board, in its sole discretion, may allow Owners' portions of a Special Assessment to be paid in installments.

8.8.3 Approval of Special Assessments. Except in the case of an emergency situation as defined in Civil Code section 5610, in any fiscal year the Board may not levy Special Assessments which, in the aggregate, exceed five percent (5%) of the budgeted gross expenses of the Mutual for that fiscal year, except upon the affirmative vote of a majority of the Members voting on any such Special

Assessment, provided that a quorum is established. For purposes of the preceding sentence, a quorum shall mean more than fifty percent (50%) of the Members, notwithstanding any lower quorum requirement set forth in the Bylaws.

8.9 Notice of Assessment Increases. Upon the imposition of a Special Assessment or an increase in the Annual Assessment, notice shall be provided to each Owner as required by law not less than thirty (30) days and not more than sixty (60) days prior to the due date of the Assessment.

8.10 Reimbursement Assessments. The Mutual shall levy a Reimbursement Assessment against any Owner and his or her Unit if a failure by such Owner, or any person or animal for which the Owner is responsible, to comply with any provision of the Governing Documents has necessitated or resulted in an expenditure of funds by the Mutual, specifically including attorneys' fees. A Reimbursement Assessment shall include any costs, including attorneys' fees incurred by the Mutual and costs of collecting from an Owner any amount which the Owner is obligated to pay to the Mutual. Imposition of a Reimbursement Assessment shall be effective only after a duly noticed hearing before the Board. A Reimbursement Assessment shall be due and payable to the Mutual when levied and subject to the same enforcement procedures as Annual and Special Assessments, including lien and foreclosure.

8.11 Failure to Fix Assessments. The failure or omission by the Board to fix or levy any Annual Assessment provided for by the terms of this Declaration before the expiration of any fiscal year, shall not be deemed either a waiver or a modification in any respect of the provisions of this Declaration, or a release of any Owner from the obligation to pay Assessments or any installment thereof for that or any subsequent year, but the amount of the Annual Assessment fixed for the preceding fiscal year shall be the amount of the Annual Assessment for the ensuing fiscal year until a new Annual Assessment is levied.

8.12 No Offsets. All Assessments levied by the Board shall be payable in the full amount specified, including any Additional Charges imposed as provided by the terms of this Declaration, and no offsets against any such amounts shall be permitted for any reason whatsoever, including without limitation a claim that the Mutual has failed to properly exercise its duties of maintenance or enforcement.

8.13 Delinquent Assessments. Any installment or other portion of an Assessment not paid within fifteen (15) days after its due date shall be delinquent and shall be subject to interest and late charges not to exceed the maximum rate permitted by law, as well as all other Additional Charges. The Board, on behalf of the Mutual, may enforce the payment of any delinquent Assessment plus Additional Charges by bringing an action at law against any Owner personally obligated to pay the same, or by foreclosing the lien against the Owner's Condominium by judicial or non-judicial foreclosure, except as prohibited by law. Prior to recording a Notice of Delinquent Assessment, the Mutual shall provide notice to the Owner in accordance with Civil Code section 5660. No procedures shall be initiated to foreclose the lien securing any Assessment levied under

this Article 8 except as in accordance with Civil Code section(s) 5705, 5710 and 5720. Except as prohibited by law, upon the recording of the Notice of Delinquent Assessment referred to above, the Mutual may, at its option, declare the entire balance of all sums then due or to become due from the Owner, immediately due and payable, which total sum may then be included in any suit, action, or other procedure initiated to collect said sums, including all Additional Charges. Notwithstanding any other provision of this Declaration, the Mutual must comply with the requirements of the Civil Code when collecting delinquent Assessments.

8.14 Power of Sale. Each Owner does hereby appoint the Mutual as trustee to enforce and to foreclose any lien which is established pursuant to the terms of this Declaration, by private power of sale as provided by law, and does further grant to the Board of Directors, on behalf of the Mutual, the authority and power to sell the Condominium of such Owner in the event of any default in payment of any Assessments or Additional Charges levied against such Condominium, for lawful money of the United States, to the highest bidder, to satisfy said lien. The Mutual, as trustee for the remaining Owners in which the foreclosed Condominium is located, may purchase the Condominium at said sale. The decision to record a lien and initiate foreclosure may only be made by the Board and may not be delegated.

8.15 Remedies Cumulative. The remedies provided in this Declaration for collection of delinquent Assessments shall be cumulative and not exclusive; that is, the Mutual may use one or more or all of the available remedies to collect delinquent Assessments.

8.16 Certificate of Satisfaction and Release of Lien. Upon payment in full of a delinquent Assessment, including any Additional Charges, or the satisfaction thereof, the Board shall cause to be recorded, in the same manner as the Notice of Delinquent Assessment, a further certificate stating the satisfaction thereof and the release of the lien.

8.17 Priority. Except as otherwise expressly provided by law, the lien securing each of the Assessments provided for under this Article 8 shall have priority as of the date of recording of the original Declaration applicable to the Development over all other liens and encumbrances applicable to the Condominiums; provided, however, that such Assessment lien shall be subordinate to the lien of any first Mortgage or first deed of trust recorded against the Condominium; and provided, further, that such subordination shall apply only to the Assessments which have become due and payable prior to the sale of such property pursuant to a decree of foreclosure of any such Mortgage or deed of trust, or pursuant to a power of sale contained in any such Mortgage. Such foreclosure sale shall not relieve such property from liability for any Assessments and Additional Charges thereafter becoming due, nor from the lien of any subsequent Assessment.

8.18 Property Exempt from Assessments. The following property subject to this Declaration shall be exempt from the Assessments, Additional Charges, and liens created herein:

8.18.1 All property dedicated to and accepted by Contra Costa County or other local public authority and devoted to public use,

8.18.2 Any Condominium which is owned by the Mutual as a result of the Mutual having acquired such Condominium through foreclosure; provided, however, that such exemption shall be applicable only during the period in which the Mutual is record Owner of such Condominium, and

8.18.3 All Common Area.

ARTICLE 9 ENFORCEMENT

9.1 Violations as Nuisance. Every act or omission constituting or resulting in a violation of any of the provisions of the Governing Documents shall be deemed to constitute a nuisance and, in addition to any other remedies which may be available, such nuisance may be abated or enjoined by the Mutual; provided, however, that the Board shall not be obligated to take action to abate or enjoin a particular violation if, in the exercise of its discretion, the Board determines that acting to abate or enjoin such violation is not likely to foster or be in the best interests of the Mutual and its Members as a whole. Notwithstanding the preceding sentence and without limiting its generality, nothing in the Governing Documents shall be deemed to impose upon the Mutual, the Board, or the officers, employees, or agents of the Mutual a duty to intervene in any physical dispute or altercation or any criminal or alleged criminal activity other than to notify law enforcement officials; the Mutual, the Board, officers, employees or agents of the Mutual do not have police powers.

9.2 Violation of Law is a Violation of Declaration. Any violation of a federal, state, municipal or local law, ordinance or regulation pertaining to the ownership, occupancy, or use of any property within the Development is hereby declared to be a violation of this Declaration and subject to any and all of the enforcement procedures set forth herein.

9.3 Owners' Responsibility for Conduct of Others and Damages. Each Owner shall be responsible for informing members of his or her household and his or her tenants, Invitees, and Guests of the provisions of the Governing Documents, and shall be responsible for the conduct, activities, any Governing Document violation of any of them, and for any damage to the Development or the Mutual resulting from the negligent or intentional conduct of any of them or any household pets. If a Condominium is owned jointly by two (2) or more persons, the liability of each Owner in connection with the obligations imposed by the Governing Documents shall be joint and several.

9.4 No Avoidance. No Owner may avoid the burdens or obligations imposed by the Governing Documents through non-use of any Common Area facilities or by abandonment of his or her Unit.

9.5 Rights and Remedies of the Mutual.

9.5.1 Rights and Remedies are Cumulative. The Mutual, its Directors, officers, or agents, and any Owner shall have the right to enforce any and all provisions of the Governing Documents by any proceeding at law or in equity, or through the use of such other remedies as are available and deemed appropriate by the Board. Each remedy provided is cumulative and not exclusive.

9.5.2 Imposition of Sanctions. In the event of a breach or infraction of any provision of the Governing Documents by an Owner, members of an Owner's household, or his or her tenants, Guests, or Invitees, the Board shall have the power to impose a sanction against the Owner who is responsible as provided in Section 9.3 for such breach or infraction. A sanction may include but shall not be limited to a monetary penalty and/or the suspension of an Owner's rights as a Member of the Mutual, including an Owner's voting rights or an Owner's right to use the recreational or community facilities on the Common Area. Imposition of a sanction shall be effective only after notice and an opportunity for hearing. Any monetary penalty imposed pursuant to this Section shall not exceed the amount for each violation, as set forth in the schedule of monetary penalties adopted pursuant to Civil Code section 5850(a). Each Owner shall be obligated to pay costs incurred by the Mutual relating to violation of any provisions of the Governing Documents by such members of Owner's household, tenants, Guests, Invitees, pets, or other invitees. Sanctions may be enforced by the Mutual in any manner permitted by law.

9.5.3 Continuing Violations. In the case of a continuing violation, such as an uncorrected architectural violation, where an Owner, member of an Owner's household, or his or her tenants or guests fails to cease or remedy a violation after notice from the Board to do so, the Board may deem such a continuing violation and may impose separate and successive sanctions for each such violation without holding further hearings for each sanction.

9.6 Inadequacy of Legal Remedy. Except for the non-payment of any Assessment, a remedy at law to recover damages for the breach or violation of the Governing Documents is inadequate and the failure of any Owner or a member of the household of any Owner or an Owner's tenants, guests, or household pets or any other occupant or user of any of the property within the Development to comply with any provision of the Governing Documents may be enjoined in any judicial proceedings initiated by the Mutual or by any Owner, or by their respective successors in interest.

9.7 Limitation on Disciplinary Rights. The Mutual shall not have the power to cause a forfeiture or abridgment of a Member's right to the full use and occupancy of his or her Unit as the result of the failure by such Owner, members of such Owner's household, or his or her tenants, guests, invitees or household pets to comply with any provision of the Governing Documents, except where such forfeiture or abridgment is the result of the judgment of a court of competent jurisdiction, a decision arising out of an arbitration proceeding, or a foreclosure or sale under private power of sale for failure of such Owner to pay Assessments. The provisions of this Section shall not affect the Mutual's right to impose fines or monetary penalties or to suspend an Owner's membership rights, as provided in the Governing Documents.

9.8 Disciplinary Rules. The Board may adopt Rules that further elaborate upon and refine procedures for conducting disciplinary proceedings and otherwise imposing sanctions upon Members of the Mutual for violation of provisions of the Governing Documents. Such Rules, when approved and adopted by the Board subject to Civil Code sections 4340 et seq., shall be deemed to be a part of the Mutual Rules provided for, in and constituting a part of the Governing Documents.

9.9 Investigation of Complaints. Upon receipt of a written complaint from an Owner or Resident, the Board shall conduct an investigation of the allegations in the complaint and shall make relevant findings upon which the Board shall base a decision to pursue or not pursue the matter.

9.10 Emergency Situations. The following shall constitute emergency situations: (i) an immediate and unreasonable infringement of or threat to the safety or peaceful enjoyment of Residents of the Development; (ii) a traffic or fire hazard; (iii) a threat of material damage to or destruction of the Development or any portion thereof; and (iv) a violation of any provision of the Governing Documents that is of such a nature that there is no material question regarding the identity of the violator or whether the violation has occurred (such as parking violations). Notwithstanding any other provision of the Governing Documents, under circumstances involving conduct that constitutes an emergency, the Board or its duly authorized agents may undertake immediate corrective or disciplinary action and, upon request of the Owner as to whom such corrective or disciplinary action has been taken, or on its own initiative, conduct a hearing as soon thereafter as reasonably possible. If the Mutual acts on its own initiative to schedule a hearing, notice of the date, time and location of the hearing shall accompany the notice of the disciplinary action which is transmitted to the Owner. If the Board has not scheduled a hearing and the Owner desires a hearing, the Owner's written request for a hearing shall be delivered to the Mutual no later than five (5) days following the date when the notice of the Board's disciplinary action is transmitted to the Owner. The hearing shall be held not later than fifteen (15) days following the date of the Board's notice of the disciplinary action or fifteen (15) days following the receipt of the Owner's request for a hearing, whichever is later. If a hearing is scheduled or requested, any sanctions imposed, or other disciplinary action taken by the Board shall be held in abeyance and shall become effective only if affirmed at the hearing.

9.11 Notices. Any notices required or given under this Article 9 shall, at a minimum, set forth the date, time, and location of any hearing, a brief description of the act or omission constituting the alleged violation of the Governing Documents, a reference to the specific Governing Document provision or provisions alleged to have been violated, and the sanction, disciplinary action, or other enforcement action being contemplated by the Board. The notice shall be in writing and may be given by any method reasonably calculated to give actual notice to the affected Member; provided, however, that if notice is given by mail, it shall be sent by first-class mail, postage prepaid, sent to the most recent address for the affected Member as shown on the records of the Mutual.

9.12 Dispute Resolution.

9.12.1 Alternative Dispute Resolution. Any dispute other than those listed in Civil Code section 5930(b) or those related to the power and duty of the Board of Directors to levy and collect Assessments through lien and foreclosure proceedings shall be submitted to alternative dispute resolution procedures ("ADR") as described in Civil Code sections 5925 et seq. In the case of any claim, dispute, or controversy which is not otherwise subject to Civil Code sections 5925 et seq., involving a sum of money not in excess of the jurisdiction of the Small Claims Court, any party to the dispute shall have the right to file a claim in Small Claims Court and have the matter determined therein in lieu of ADR.

9.12.2 Internal Dispute Resolution. In addition to the ADR provisions of Civil Code sections 5925 et seq., the Mutual shall provide for Internal Dispute Resolution in any dispute regarding the rights, duties or liabilities under Civil Code sections 4000 et seq., the Nonprofit Mutual Benefit Corporation Law, or the Governing Documents. The procedure may be invoked by any party pursuant to Civil Code sections 5900 et seq.

9.13 Non-Waiver. Failure to enforce any provision of the Governing Documents at any time shall not be deemed a waiver of the right to do so thereafter with respect to the same or any other violation of any provision of the Governing Documents.

9.14 Costs and Attorneys' Fees. In any action to enforce the Governing Documents, whether or not legal or judicial proceedings are initiated, the prevailing party shall, to the fullest extent permitted by law, be entitled to recover the full amount of all costs including attorneys' fees incurred in responding to and/or enforcing any Governing Document provision. In the event of a court awarding attorneys' fees, the court shall not be bound by any court fee schedule, but shall, if it is in the interest of justice to do so, award the full amount of costs, expenses, and attorneys' fees paid or incurred in good faith. The remedies of the Mutual to recover the amount of such costs and attorneys' fees shall include, but shall not necessarily be limited to, the imposition of a Reimbursement Assessment as provided in Section 8.10 of this Declaration.

ARTICLE 10 INSURANCE

10.1 Liability and Fidelity Insurance. The Mutual shall obtain and maintain the following liability policies.

10.1.1 Commercial General Liability Policy. A Commercial General Liability policy insuring the Mutual, any manager, the Mutual's directors and officers, and the Members against liability arising from any bodily injury or property damage as a result of an accident or occurrence within the Common Area. Subject to the terms and conditions of the policy, the policy also shall cover bodily injury or property damage from an accident or occurrence within any Unit related to any maintenance or repair work required to be performed by the Mutual pursuant to the Bylaws and/or Rules, including, but not limited to work performed in the Common Area. The policy shall include, if obtainable, cross liability or severability of interest coverage. The limits of such insurance (including the commercial general liability and any excess liability coverage) shall not be less than the general liability insurance requirements set forth in Civil Code section 5805 covering all claims for bodily injury and property damage arising out of a single occurrence. The coverage may be a combination of primary and excess policies. The insurance shall be provided with coverage terms provided by Insurance Services Offices (ISO) form CG 0001 or equivalent or better coverage. Such insurance shall include coverage against liability for owned, non-owned and hired automobiles and other liability or risk customarily covered with respect to mutuals/projects similar in construction, location and use. The policy shall be primary and noncontributing with any other liability policy covering the same liability.

10.1.2 Directors and Officers Liability Policy. A Directors and Officers Liability policy containing such terms and conditions as are normally and customarily carried for directors and officers of a common interest development and in sufficient amounts to satisfy the insurance requirements of Civil Code section 5800.

10.1.3 Crime Insurance. A blanket Commercial Crime Insurance Policy covering the Mutual, any organization or person who either handles or administers or is responsible for Mutual funds, whether or not any person receives compensation for services. The policy amounts shall satisfy the Federal National Mortgage Association ("FNMA") and Federal Housing Administration ("FHA") requirements and in no event shall be less than the sum of three (3) months of Annual and Special assessments on all Memberships subject to Assessments.

10.2 Mutual Property Insurance. The Mutual shall obtain and maintain a master property insurance policy that satisfies each of the following conditions:

10.2.1 Property Covered. Covered Cause of Loss. The Mutual's policy shall cover the following real and personal property:

10.2.1.1 Common Area. All Common Area improvements, including buildings and any additions or extensions thereto; all fixtures, machinery and equipment permanently affixed to the building; windows; fences; monuments; lighting fixtures situated outside the Units; exterior signs; and personal property owned or maintained by the Mutual; but excluding land; excavations; and other items typically excluded from property insurance coverage.

10.2.1.2 Units. Permanently affixed improvements situated within the Unit, including interior walls and doors; ceiling, floor and wall surface materials (e.g., paint, wallpaper, carpets and hardwood floors); utility fixtures (including gas, electrical and plumbing); cabinets; built-in appliances; heating and air-conditioning systems; water heaters and any replacements thereto; but excluding any personal property located in the Unit. If the Member renovates, upgrades or replaces any permanently affixed improvement within the Unit or adds new improvements to the Unit (collectively, the "Alterations") and the replacement cost of the Alterations exceeds the cost of the improvements prior to the Alterations, the Member shall be responsible for procuring and maintaining insurance to cover the excess unless the Member has obtained written approval from the Mutual to make the Alterations and, to the extent required, approval from governmental authorities.

10.2.1.3 Landscaping. Lawn, trees, shrubs and plants located in the Common Area.

10.2.2 Covered Cause of Loss. The Mutual's policy shall provide coverage against losses caused by fire and risks of direct physical loss, as insured under the ISO "Causes of Loss - Special Form (CP 1030)" or its equivalent or better coverage. Such policy shall include coverage for loss resulting from the enforcement of any ordinance or law regulating the construction, use or repair of any property, or requiring the tearing down of any property, if caused by a peril insured by such policy. Equipment Breakdown Insurance shall also be maintained covering boilers and related equipment, heating, air-conditioning, electrical and mechanical equipment that is used in the generation, transmission or utilization of energy.

10.2.3 Dollar Limit. The dollar limit of the Mutual's policy shall not be less than the full insurable replacement value of the covered property described in Section 10.2.1, based on insurance industry standards for determination of replacement values, provided that there may be lower dollar limits for specified items as is customarily provided in property insurance policies.

10.2.4 Primary. The Mutual's policy shall be primary and noncontributing with any other insurance policy covering the same loss provided, however, that where a Member's individual insurance policy (discussed in Section 10.6) provides overlapping coverage, the Member's individual insurance policy shall be the primary coverage and the Mutual's policy shall be excess/supplemental/secondary coverage as the case may be.

10.2.5 Endorsements. The Mutual's policy may contain such endorsements as the Board may select after consultation with a qualified insurance consultant.

10.2.6 Waiver of Subrogation. The Mutual waives all subrogation rights against any Member or occupant and their family members and invitees. The policy shall include an acknowledgment of the Mutual's right to waive all subrogation rights against the Member.

10.2.7 Deductible. Except as otherwise provided by separate agreement, when a claim is made on the Mutual's property insurance policy, the Member is responsible for payment of the deductible on the Mutual's policy in circumstances: (i) where damage to Common Area and/or Unit improvements is caused by the fault of the Member, contract purchasers, subtenants, Residents of the Unit, and agents, invitees, family members, guests and pets of any of the foregoing; or (ii) where damage to common area and/or Unit improvements is caused by the failure of some portion of the Unit or Common Area which the Member is responsible for maintaining. In cases where fault cannot be determined, the Mutual shall pay the deductible. The Mutual may enter into a deductible sharing agreement with other Rossmoor mutuals. In this event, to the extent there is any conflict between the payment of deductibles as set forth in this Section 10.2.7 and the agreement, the agreement shall control.

10.3 FNMA, FHLMC and FHA Requirements. To the extent applicable to the Mutual and notwithstanding anything herein to the contrary, the Mutual shall maintain such policies containing such terms, amount of coverage, endorsements, deductible amounts, named insureds, loss payees, standard mortgage clauses, notice of changes or cancellation, and an appropriate insurance company rating that shall satisfy the minimum requirements imposed by the Federal National Mortgage Association ("FNMA"), the Federal Home Loan Mortgage Corporation ("FHLMC") and the Federal Housing Administration ("FHA") or any successor thereto. If the FNMA, FHLMC or FHA requirements conflict, the more stringent requirements shall be met.

10.4 Insurance Rating and Cancellation. The insurance company providing the Mutual's insurance under Sections 10.1 and 10.2, shall have an A.M. Best rating of not less than A:VII if licensed to do business in the State of California and a rating of not less than A:X if approved but not licensed to do business in the State of California, provided that if the Board determines that insurance from insurance companies with the required ratings is not available at commercially reasonable rates, the Board may reduce the rating requirements after consultation with a qualified insurance consultant. If the A.M. Best ratings are no longer available, the insurance ratings shall be based on equivalent ratings issued by an independent insurance rating company used by financial institutions for insurance rating purposes.

10.5 Board's Insurance Authority. The Board has the authority on behalf of the Mutual and each of its Members to participate with the Foundation (or any successor or assign thereto) and other Rossmoor mutuals in a group policy or policies procured and maintained by the Foundation as long as the group policy or policies provide equivalent or better coverage than the applicable requirements described in Sections 10.1 and 10.2, subject to the Board's right to deviate from the requirement as described herein. The Board shall have the power and right to deviate from the insurance requirements contained in this Article 10 in any manner that the Board, in its discretion, considers to be in the best interests of the Mutual, provided that the Board shall maintain the minimum insurance requirements set forth in Civil Code sections 5800 and 5805 and as required in Section 10.3. If the Board elects to materially reduce the coverage from the coverage required in this Article 10, the Board shall, as soon as reasonably practicable, notify the Members of the reduction in coverage in the manner prescribed by law.

The Board is authorized to negotiate and agree on the value and extent of any loss under any policy carried by the Mutual, including, but not limited to, the right and authority to compromise and settle any claim or enforce any claim by legal action or otherwise and to execute releases in favor of any insurer.

Each Member irrevocably appoints the Mutual, as that Member's attorney-in-fact for purposes of procuring, negotiating, accepting, compromising, releasing, settling, distributing and taking other related actions in connection with any insurance policy maintained by the Mutual and any losses or claims related thereto and agrees to be bound by the actions so taken as if the Member had personally taken the action.

10.6 Members' Individual Insurance Requirements. Each Member shall procure and maintain property insurance against losses to personal property located within the Member's Unit and personal liability coverage. The Mutual's insurance policies will not provide coverage for: (i) losses to the Member's personal property; (ii) losses to any Alterations to the extent not covered under Section 10.2.1.2; (iii) liability from accidents or occurrences within the Member's Unit or portions of the Common Area set aside for the exclusive use or possession of the residents of the Unit (that is, Exclusive Use Common Area); or (iv) liability from accidents or occurrences within Rossmoor for which the Member may be held responsible and which may not be covered under the Mutual's Commercial General Liability policy. Each Member should seek the advice of a qualified

insurance consultant regarding the Member's property and liability insurance obligations under this Section 10.6 and other applicable coverage available to Members.

Nothing herein imposes any duty on the Mutual, its directors, officers or agents (including the Mutual's managing agent) to confirm or otherwise verify that the Members are carrying the insurance required in this Section.

No Member shall separately insure any property covered by the Mutual's property insurance policy described in Section 10.2 unless the Member's individual insurance policy permits the application of any overlapping coverage under Member's policy as primary without a reduction in benefits from the coverage under the Mutual's policy. If any Member violates this provision and, as a result, there is a diminution in insurance proceeds otherwise payable to the Mutual, the Member will be liable to the Mutual to the extent of the diminution. The Mutual may, subject to the Mutual's compliance with the notice and hearing requirements set forth in the Bylaws, levy a Reimbursement Assessment, as provided in Section 8.10, against the Member and said Member's Membership to collect the amount of the diminution.

10.7 Insurance by Tenant. Each Owner who rents or leases out his or her Unit shall (i) require the tenant to obtain and maintain a "renter's policy" (also known as an "HO-4" policy and (ii) provide to the Board a certificate from the tenant's insurer certifying that the required insurance under this Section 10.7 has been procured and is in full force and effect; provided, however, that neither the Mutual nor the Board shall be responsible for procuring insurance on a tenant's behalf or verifying that tenants are maintaining the required insurance to cover such tenant's property and provide liability coverage.

ARTICLE 11

DAMAGE OR DESTRUCTION OF BUILDINGS, CONDEMNATION

11.1 Damage to Single Unit. If the Development is damaged by fire or other casualty and damage is limited to a single Unit, any available insurance proceeds from the Mutual's master policy shall be paid to the Mutual in trust for the Owner or Owners of such Unit to rebuild or repair such Unit. Any such repair or rebuilding shall be subject to the provisions of Article 7. In the event the insurance proceeds are insufficient to complete such work, the Unit Owner shall pay and advance such additional sums as may be necessary to complete such rebuilding and repair.

11.2 Damage to Two or More Units or Common Area. If such damage extends to two (2) or more Units or extends to any part of the Common Area, then and in that event:

11.2.1 Proceeds Equal or Exceed 85% of Reconstruction Costs. If the amount of available insurance proceeds is equal to at least eighty-five percent (85%) of the cost of repairing or rebuilding the damaged property to its condition

immediately prior to such damage or destruction, the insurance proceeds shall be paid to the Mutual and the Board shall thereupon contract to repair or rebuild the damaged portions of the Development covered under the Mutual's master policy, including the Common Area so damaged unless, within ninety (90) days from the date of destruction seventy-five percent (75%) of the Total Voting Power determine that repair and reconstruction shall not take place.

11.2.2 Proceeds Less than 85% of Reconstruction Costs. In the event that the amount available from such insurance proceeds is less than eighty-five percent (85%) of the cost of repairing or rebuilding the damaged property to its condition immediately prior to such damage or destruction, repair and rebuilding may nevertheless take place if, within ninety (90) days from the date of destruction, a majority of the Total Voting Power determines that repair and reconstruction shall take place. If the Members approve repair and reconstruction, the Board shall execute, acknowledge and record in the office of the County Recorder not later than one hundred twenty (120) days from the date of destruction a certificate declaring the intention of the Members to rebuild. Alternatively, the Members by vote of a majority of the Total Voting Power may elect to sell the Mutual.

11.2.3 Rebuilding Contract. If a determination is made to rebuild, the Board shall obtain bids from at least three (3) reputable contractors to restore all damaged Units and Common Area in the Development to their condition immediately prior to such damage or destruction. The Board shall have the authority to enter into a written contract with the contractor for the repair and reconstruction. It shall be the obligation of the Board to take all steps necessary to assure the commencement and completion of authorized repair and reconstruction at the earliest possible date. The contractor shall provide a completion bond naming the Mutual and each Owner as beneficiaries.

11.2.4 Costs to Rebuild/Special Assessment. The insurance proceeds shall be disbursed to the chosen contractor according to the terms of the contract. The Mutual shall levy a Special Assessment to make up the deficiency, if any, between the total insurance proceeds and the contract price for repair and rebuilding. Member approval of said Special Assessment shall be required unless the Special Assessment is deemed an "emergency situation" pursuant to Civil Code section 5610. The Special Assessment shall be allocated equally among all Members.

11.3 Sale of Entire Development. In the event of the sale of all Units and the Common Area, proceeds from such sale and insurance proceeds received by the Mutual on account of the destruction of the Common Area shall be distributed by the Mutual among the Owners and their respective Mortgagees according to the respective fair market values of the Units at the time of the destruction as determined by an independent appraisal. The members of the Board are hereby authorized to execute and deliver, on behalf of all of the Owners, any instruments necessary or required to

affect such a sale or sales and each Owner shall be obligated to execute and deliver such instruments and to perform such acts as may be necessary to affect such sale or sales.

11.4 Condemnation of Common Area. If at any time all or any portion of any Common Area, or any interest therein, shall be taken for any public or quasi- public use, under any statute, by right of eminent domain, or by private purchase in lieu of eminent domain, the entire compensation or award in condemnation, to the extent such award is not apportioned among the Owners by court judgment or by agreement between the condemning authority and each of the affected Owners in the Development, shall be paid to the Mutual and shall be used in the manner determined by the Board, provided that such use shall not be inconsistent with the purposes of the Mutual. The Mutual shall represent the interests of all Owners in any proceedings relating to such condemnation to the extent such Owners have any interest in the Common Area.

ARTICLE 12 AMENDMENT

This Declaration may be amended by the affirmative vote of Members representing at least a majority of the Total Voting Power of the Mutual. Any amendment of this Declaration shall be signed and acknowledged by the duly authorized officer(s) of the Mutual and recorded in the Office of the Contra Costa County Recorder.

13.8 Term. The covenants, conditions, restrictions, limitations, reservations, grants of easement, rights, rights-of-way, liens, charges, and equitable servitudes contained in this Declaration shall run with and shall benefit and burden all of the real property subject to this Declaration, including without limitation the Units and Common Area, and shall inure to the benefit of and be binding upon the Owners, the Mutual, its Board of Directors and officers, and their respective agents and successors in interest, for a term of thirty (30) years from the date of recordation of this Declaration. Thereafter the term shall be automatically extended for successive periods of ten (10) years each, unless within the six (6) months prior to the expiration of the initial thirty (30) year term or any ten (10) year extension period, a written instrument approved by Owners entitled to vote and holding at least a majority of the Total Voting Power of the Mutual, terminating the effectiveness of this Declaration shall be recorded in the Office of the County Recorder of Contra Costa County, California.
