Emergency Preparedness Committee – Roles and Responsibilities

The emergency preparedness committee serves in an advisory role to the Board. The goal is to communicate community needs to the Board of Directors of Mutual 55. Their primary role is not to establish policies, but rather to provide information and options to enable the Board to make fully informed decisions for the common good of Mutual 55.

The Committee will have one chairperson, who must be a homeowner in good standing at Mutual 55. The Chairperson will be responsible for all communications to and from the Board but may delegate this responsibility on a case-by-case basis to any committee member. In addition to the Chairperson, the Committee shall consist of at least two but no more than four other community member volunteers. Every volunteer on the committee has an equal right to express their opinions and ideas as how to best serve the interests of the community.

The Committee shall provide an organized channel of communication between members, residents, property manager and the Board. The committee is not authorized to financially or legally obligate Mutual 55 in any manner (i.e., contract for services, hire contractors, borrow money, purchase equipment or supplies or approve such a request on behalf of Mutual 55) unless it has been specifically approved by the Board.

The Committee shall meet as needed, but at least four times per year. All official meetings of this Committee will have at least a four-day prior notification to the committee members. The meeting minutes shall be emailed to Mutual 55's President, Secretary, and Assistant Secretary within five days after any committee meeting and will serve as the report to the Board for the next regularly scheduled Board meeting.
