During the Residents' Forum, Claire Carter requested a resolution about sharing lanes. Cheryl Patterson spoke and asked that the Committee keep the Master Swim Practice at Tice Creek on Tuesdays instead of moving it to Hillside. Lastly, Dorothy Prokof shared her concern about life guards moving lane lines before family swim due to safety reasons as they are not watching what is going on in the pool.

Residents'  
Forum

The Chairman brought up the subject of swimmers wearing ostomy pouches. He handed out information from the United Ostomy Association. Ostomy pouching prosthetic systems are clinically-proven products that are engineered to prevent any leakage and provide a waterproof barrier. Experts note that the risk of having an appliance fall off in the water is extremely small.
