

Subject: Woodworking Shop

Purpose: To Establish a Rule for Use of Equipment in the Woodworking Shop

Any person skilled in the use of woodworking shop machinery is to be allowed to operate the equipment, regardless of gender, and appropriate signs are to be posted in the woodworking shop stating that only those persons skilled in the use of shop equipment will be permitted to operate the machinery.

Violation

Violations of policies, procedures, or rules will be reviewed and acted upon consistent with Policy 100, which may be found on the myrossmoor.com website or upon request at the administrative offices at Gateway Clubhouse.

Authority: Rule

4/24/75

1/29/26 Rev.
